**Subject:** Middletown Zoning Board application

Good afternoon,

Please find attached a zoning board application for General Plumbing Supply located at 170 Highway 35. The applicant is seeking major site plan approval, including multiple C variances as well as a D variance for exceeding the floor area ratio (FAR) allowed at the site.

The applicant is scheduled to be heard by the Middletown Zoning Board of Adjustments on September 28<sup>th</sup>. Should you have any comments, please send to the Planning Dept. by Wednesday, September 16. Thank you.
