RE: Property Modification Approval – 24 Witches Lane

The Board of Trustees of Monmouth Hills Inc. has approved your request to construct an addition to your home at 24 Witches Lane as per the description of work included in your email to the Board dated April 10, 2021 along with the plans and specs prepared by Studio One Architects pages Z1 – Z8 dated April 8, 2021.

These modifications are to be done in keeping with the historic nature of the community and require the owner of the home to seek and obtain all permits and approvals that may be necessary.

Please advise if you require anything further on this matter.

Very truly yours,
For the Board of Trustees of
Monmouth Hills Inc.
