Through the outstanding work of the Township's world-class Police Department, Middletown was ranked as the #1 safest city in New Jersey and the 8th safest city in the nation, according to The National Council for Home Safety and Security's *Top 100 Safest Cities in America for 2017* report.

For the second consecutive year, Middletown was also named one of the top 10 safest places to raise a child in the United States by Safewise, a national community-focused security organization, in their report *The 30 Safest Cities to Raise a Child*.

"We are proud to be recognized as the safest town in New Jersey, and once again named as one of the top 10 safest places to live in the country," said Mayor Gerry Scharfenberger, Ph.D. "Our Police Chief Craig Weber and the Department's community-oriented approach to policing, coupled with their proactive policing strategies that target crime, are just some of the reasons they are so deserving of these accolades."

"While many communities strive to provide a safe environment for their residents, Middletown consistently gets top marks for the quality of our education system, the cultural arts and recreational programs we offer, and our exceptionally low crime rates."

"Crime has dropped for the seventh consecutive year, with index crimes down 13 percent over last year and 48 percent compared to 2010," said Middletown Township Police Chief Craig Weber. "Our officers work hard to maintain a strong, positive relationship with the community and schools."

Community programs include child safety seat installations, Police Youth Week camps, Project Plus, Rude Awakening, and the Law Enforcement Against Drugs program which utilizes *The Too Good for Drugs* curriculum in the Township's elementary schools.

Municipal Taxes Decreased in 2017

Your tax bill funds three distinct budgets set by different governing bodies: the school budget, the County budget, and the Township's municipal budget. While the Township only has oversight and jurisdiction over the municipal portion of the bill, the Township is legally responsible for collecting and distributing the taxes for all taxing entities. In 2017, for every dollar paid in property taxes, approximately 64 cents is sent to the school district, 13 cents is sent to Monmouth County, and 21 cents stays here in Middletown to cover the cost of municipal operations. The remaining 2 cents goes to the library and open space fund.

PROJECT MEDICINE DROP BOX AT POLICE HEADQUARTERS

In June, the Police Department joined the New Jersey Attorney General's "Project Medicine Drop" initiative and installed a Project Medicine Drop box at Police Headquarters at 1 Kings Highway. The drop box makes it easier for residents to safely dispose of unused, excess or expired prescription medications which helps prevent the abuse of these drugs, including highly addictive opiate painkillers. The box is located just outside the Courtroom and is accessible 24 hours a day, seven days a week, 365 days a year.

Middletown Remembers Township Public Information Officer, Cindy Herrschaft

On June 28th the Middletown Township family lost one of our beloved members, Cindy Herrschaft, to cancer. Cindy was the Township's Public Information Officer for 20 years and was the editor of this newsletter. She was a dedicated employee and received many honors for her work. Although Cindy has passed away, the standard she has set for her friends and colleagues will live on for years to come. As

CINDY
HERRSCHAFT

Mayor Scharfenberger stated so beautifully in his tribute to her in the July 6th issue of the *Two River Times*, "Her valiant fight and willingness to perform the job she loved, even in the face of tremendous pain and discomfort, is an inspiration to us all. Knowing that is what will help all of us who knew and loved her to 'keep thinking happy thoughts'." We dedicate this edition to her.

Community Supports Middletown Township Police Department's First National Night Out

The Middletown Township Police Department had a great turnout at their first National Night Out event on Tuesday, August 1st. Hundreds of residents stopped by with their children to check out the police vehicle and equipment display, K9 demonstrations, DWI simulation course, Ident-A-Kid fingerprinting kits, the Mini Horse Heroes' miniature therapy horse, and more. Township Committee members also stopped by to show their support.

Congrats to Our Police Youth Week Graduates!

Open to all Township youth ages 8-11, Police Youth Week was held from July 10-14. The program gave the children their first exposure to law enforcement at the recruit phase. They learned about every element of police work including officer safety, crime scene investigations, traffic enforcement and K9 units. They also engaged in physical training, and by the end of the program had a better understanding of law enforcement.

What's So Great About Middletown?

All too often, people are confronted with a barrage of negative headlines and doom and gloom reports about the world around them. In reality, we residents of Middletown have much to be proud of and so much for which to be thankful. With that in mind, I thought it would be beneficial to use this column to reflect on some of the aspects of the town that have consistently made it one of the top places to live in the country.

VOLUNTEERISM

Mayor Gerry Scharfenberger with leaders of Middletown's Volunteer Fire Department and recent graduates of the Fire Academy.

One of the things that sets Middletown apart from many other municipalities is the extraordinary spirit of volunteerism that exists in the Township. Most prominent of the volunteer bodies is the Middletown Volunteer Fire Department: the largest of its kind in the world. Other integral volunteer organizations include the Emergency Management Services (EMS), Auxiliary Police, Middletown Drug and Alcohol Alliance, Emergency Management volunteers, CERT members, Fire Police, Youth Athletic Leagues, and hundreds of people who serve on the numerous boards and commissions in town. In addition, we have a permanent Volunteer Corps formed in the wake of Superstorm Sandy. Together, the hundreds of volunteers

save the town millions of dollars while providing top notch services and creating an unshakeable community spirit.

HISTORIC LEGACY

As one of the four original New Jersey municipalities founded

Christ Church, located at 90 Kings Highway, is a historic church in Middletown Township.

in 1664, Middletown is blessed with many historic buildings, cemeteries and roads. Many of these are contained in the five designated historic districts located throughout the town. There are well-known residential buildings such as Marlpit Hall (ca. 1756), the Taylor-Butler House (ca. 1853) and the Seabrook-Wilson House aka Spy House (ca. 1720), churches such as Christ Church (ca. 1702), Old First Church (ca. 1832), Middletown Reformed Church (ca. 1836), and New Baptist Church (ca. 1855), and cemeteries such as the Old Presbyterian Burying Ground (ca. 1684), Throckmorton- Lippit-Taylor Burying Ground (ca. 1684) and Crystal Stream Burying Ground (ca. 1848).

LOW CRIME

One of the aspects of Middletown that we are most proud of is our consistent ranking among the safest places to live in the country. Safewise, a national community-focused security organization, recently ranked Middletown the ninth safest place in the United States to raise a child. Almost immediately after, the National Council on Home Safety and Security named Middletown the number one safest city in New Jersey and the eighth safest city in the United States. These designations are a testament to our spectacular police force, innovative administration, and caring, engaged residents who are very protective of the town and its citizens. It is even more remarkable when you consider that Middletown has one of the smallest police forces per capita in the entire state.

The Croydon Hall Turf Field is a synthetic multi-sport version where football, soccer, field hockey, lacrosse and other sports can be played.

WORLD CLASS PARK SYSTEM

Middletown has always been a leader in preserving open space for active and passive recreation. This is evidenced by over 80 parks and recreation areas consisting of over 5,500 acres of permanently preserved land in the township. These range from heavily utilized athletic fields at Bodman Park, Croydon Hall, Butler Field and Fairview Fields to beaches like Ideal Beach and Leonardo Beach to large nature and

hiking preserves such as Thompson Park, Hartshorne Woods, Deep Cut Gardens and Tatum Park. Many people may also not realize that the Gateway National Recreation Area at Sandy Hook is actually part of Middletown.

EFFICIENT MANAGEMENT

Middletown has always prided itself on being a well-oiled machine run by an efficient, fiscally-conservative administration. Our high quality of life and significant recognition as a great place to live is testament to that. The New Jersey League of Municipalities has used Middletown's budgeting process as a model for the rest of the state, and our municipal website has been named the best in New Jersey by Monmouth University. Money Magazine has also consistently ranked Middletown as one of the top places to live in the country. Fiscal responsibility is evidenced by the fact that Middletown has one of the smallest workforces per capita in the entire state, a below average spending per capita and a stellar AA bond rating. The Township has also been a leader in money-saving shared service agreements years before they became a popular tool of municipal government. All of these efforts have resulted in an exceptionally lean municipal budget year after year and even a tax cut for fiscal year 2017.

In summary, we are truly blessed to be able to call Middletown Township our home. Not only is it a place with great physical beauty and a rich historic heritage, but it is a community with immeasurable spirit and civic pride. Its real strength, however, are the people who live and work here who continually step up to the plate to maintain Middletown's unique quality of life and ensure its prosperity into the future.

MAYOR'S OFFICE HOURS

Mayor Gerry Scharfenberger, Ph.D. generally holds open office hours the first and third Saturday of the month from 10:00am to noon at Town Hall, 1 Kings Highway. Visitors are seen on a first-come basis. Mayor Scharfenberger is also available by appointment. Please call 732-615-2024 for more information.

Your Municipal Taxes Decreased This Year

Continued from page 1

This year's final adopted Township budget totaled \$73,657,241.89, and included the state mandated library tax. The 2017 municipal tax levy decreased \$161,459.06, resulting in a decrease in the municipal tax rate of 1.4 cents per \$1,000 of property value. Moving forward, the Township will continue to find ways to further maximize revenue, minimize costs, and provide core essential services. For example, this year we were able to implement a more cost effective healthcare plan through collective bargaining. We are also always looking for shared service opportunities and continue to hire strategically.

Middletown Township Police Department Promotes Two Officers to Sergeant and Hires 3 New Officers

The Middletown Township Police Department promoted two officers to the rank of sergeant and hired three officers this summer. Sergeants Richard Fusella and Antonio Ciccone III, and newly hired officers Tony Perito, Salvatore G. Albanese, and Douglas P. Habermann, accepted their oaths of office at the Township Committee meeting on August 21st.

Police K9 Tupac Retires:

Deputy Mayor Stephanie Murray with Police K9 Tupac and his handler Officer Frank Mazza. Tupac served the Middletown Township Police Department for 8 years and retired in July. We hope his retirement is filled with treats, leisurely walks, and naps!

First Responders Picnic: On Saturday, October 7th, members of the Middletown Police, Fire, Emergency Medical Services, and Office of Emergency Management Departments attended a picnic at the Middletown Fire Academy. Leaders and members of the Departments, volunteers, along with their families, friends, and members of the Township Committee gathered together for a BBQ with live music to recognize our First Responders for their time and dedication to keeping our residents safe.

Middletown Township held a moment of silence and a beautiful wreath laying and candlelit tribute on Monday, September 11th at 7:00 p.m. at the Middletown WTC Memorial Gardens to honor the 37 residents we lost in the World Trade Center attack 16 years ago.

"This year's silent tribute enabled each of us to quietly reflect on the immense tragedy and loss that we feel," said Mayor Gerry Scharfenberger. "The candlelit walk through the Gardens reminded us that the memories of those we lost will always burn brightly in our hearts."

Close to 500 members of the community, including 9/11 victims' family members, neighbors, Township Committee members, elected officials, local dignitaries, representatives from Middletown's Police and Fire Departments, Office of Emergency Management and Emergency Medical Services, as well as contingents from American Legion Posts 338 and 515 and Veterans of Foreign Wars Post 2179, bowed their heads in a moment of silence at dusk. The silence, which spoke volumes, was broken by a powerful single bell toll by Mayor Gerry Scharfenberger. The bell, which was donated by the Port Monmouth Fire Company, echoed into the night and initiated the wreath laying ceremony and candlelit walk through the Memorial Gardens.

Mayors for a Day: Congratulations to our 2017 "Mayors for a Day" for doing a great job!

This program is offered to Middletown elementary schools as a PTA/PFA fundraiser basket. This year's winners received an oath of office, a tour of Town Hall and were recognized at a Township Committee meeting for their service. IN MAY, A NEW BURN ROOM WAS INSTALLED AT THE MIDDLETOWN FIRE ACADEMY TO CREATE ENHANCED TRAINING OPPORTUNITIES WHERE FIREFIGHTERS CAN FEEL WHAT IT'S REALLY LIKE TO WORK INSIDE A BURNING BUILDING. THE NEW BURN ROOM OFFERS TRAINEES A SAFE YET REALISTIC ENVIRONMENT TO ENCOUNTER SITUATIONS SIMILAR TO THOSE FOUND IN AN ACTUAL STRUCTURE FIRE. MAYOR GERRY SCHARFENBERGER AND DEPUTY MAYOR STEPHANIE MURRAY MET WITH SOME OF MIDDLETOWN'S FIRE CHIEFS AND FIRE ACADEMY INSTRUCTORS TO INSPECT THE NEW TRAINING PROPS. THEY OFFICIALLY MARKED COMPLETION OF THE UPGRADED BURN ROOM WITH A RIBBON CUTTING CEREMONY.

Middletown Township-Wide Garbage & Recycling Program

Starting January 1, 2018, all Middletown residents will be part of the Township-Wide Garbage & Recycling Program.

The Township will be split into two zones (North & South) with the new program.

- **NORTH ZONE** = North of State Highway 35
 - Garbage Collection on Mondays & Thursdays
 - Recycling Collection on alternating Wednesdays (beginning 1/3/18)
 - Bulk Collection twice per month - to be announced soon
- **SOUTH ZONE** = South of State Highway 35
 - Garbage Collection on Tuesdays & Fridays
 - Recycling Collection on alternating Wednesdays (beginning 1/10/18)
 - Bulk Collection twice per month - to be announced soon

Please call the Township-Wide Garbage & Recycling Program hotline for the latest information at 732-615-3233.

If you have specific questions about the Township-Wide Garbage & Recycling Program, please e-mail recycling@middletownnj.org.

Frequently Asked Questions

How did the Township make the decision to collect garbage and recycling Township-wide?

The primary reason the Township Committee opted to go Township-wide for garbage collection is because it results in a cost savings for the vast majority of Township residential property owners over the next five years. Additionally, all residents will be receiving enhanced services, including two bulk pick-ups per month at no additional cost and single stream recycling pick-ups every two weeks.

The prior solid waste system had about two-thirds of Township residents in the garbage district, while the remaining third was forced to use private haulers. Seeing trends in both the recycling and solid waste collection industry, the Township was concerned that maintaining the current system would result in higher costs for everyone in the Township.

The Township's five-year garbage contract expired on June 30, 2017. The Township retained a waste management consultant to prepare bids and help analyze potential cost savings. The results of the bidding process were not known until August 22nd when bids were received. Based upon the bids received, if no change had been made to the current garbage and recycling collection system everyone's property taxes would have increased 5 to 10 percent over the next five years due to the increased cost of recycling bids. By offering a Township-wide garbage contract we gained the benefit of economies of scale that would offset the anticipated increases. In fact, it has resulted in cost decreases overall.

The Township followed the public bidding process in accordance with State Law. The public was asked for comment on the resolution at the September 18th Township Committee meeting prior to the vote. This decision was not up for public discussion ahead of time due to the complex public bidding process.

Will recycling and garbage be handled by one company?

Yes, both will be handled by Central Jersey Waste/Solterra.

When will I receive my new garbage and recycling carts?

More detailed notifications will be made to the public in the coming weeks, but we expect to see the new cans, two per household (one for garbage, one for recyclables), start to be delivered in December. Central Jersey Waste/Solterra will start collections as of January 1, 2018.

What do I do with my old garbage and recycling cans?

If you are currently in district, you can keep your cans, but they cannot be used for garbage or recycling collection as we are supplying standardized containers to all residents. If you would like to keep your cans, some people have found that they can be a useful composting container. If you would like to dispose of your cans, you can bring them to the Middletown Recycling Center located at 52 Kanes Lane, where they will be recycled.

If you are currently using a private hauler, you should reach out to the company to inquire about how to dispose of your garbage cart.

How big are the solid waste and recycling carts?

Each container is 95 gallons. You will receive one for recycling and one for garbage. They are all the same size because they will be picked up mechanically by the vendor.

I'm happy with my private garbage company, can I choose to keep them?

You can keep your current vendor, but you would still be paying for the Township-wide garbage collection system through your Municipal taxes, just as residents have always done for recycling collection.

When do I cancel my private garbage service?

We recommend that you contact your private hauler now and notify them that you will be using a new vendor as of January 1, 2018. Your final pick up from them will be the last week of December.

I'm in the Township's Garbage District now. What changes can I expect?

If you are currently in the district, it is possible that your collection days will change. You will also be receiving two new cans. Other than that there should be no change with regards to collection.

Why do the carts have a Radio Frequency ID (RFID) tag?

These short-range signal chips will allow us to ensure that the contractor is making collections in a timely manner as per their contract.

What are the enhanced services we will be receiving through this new program?

- Elimination of multiple solid waste collection trucks throughout many neighborhoods (and none on the weekend)
- 26 single stream recycling pick-ups per year as opposed to 24 before
- Two bulk pick-ups per month at no additional charge
- Assurance that your garbage and recycling will be picked up in a timely manner
- Less wear and tear on roads due to not having multiple private companies in the Township

Save-the-date: 60th Anniversary Veterans Day Parade on Sunday, November 5th

This year we celebrate the 60th anniversary of the **Veterans Day** Parade. The theme of the parade is "Thank a Veteran", so we would like to use this milestone to rededicate ourselves to honoring all the veterans who have served our great nation. We invite the residents of Middletown Township to join us at the **Veterans Day** Parade starting at Bayview Elementary School on Sunday, November 5th at 1:00 p.m. to honor our American heroes past and present.

WORLD WAR I DOUGHBOY MONUMENT DEDICATION ON SATURDAY, NOVEMBER 4TH

Directly following the KIA Compton Street Sign Dedication at 12:30 p.m., there will be a ceremony at the newly-restored World War I Doughboy Monument located on Church Street in Belford. "This year marks the Centennial of the United States' entry into World War I, so we wanted to commemorate the several dozen WWI veterans from Belford, Port Monmouth, and New Monmouth by restoring this monument to its former glory," said Mayor Gerry Scharfenberger, an archaeologist and long-time member of the Township's Landmarks Commission. "Our Doughboy statue is a way for our residents and visitors to pay homage to these veterans who sacrificed so much for us. It is also a reminder to future generations of the role Middletown played in one of the most significant conflicts in our nation's history."

Middletown Township officials, Veterans Affairs Committee members, and the sculptor with the Doughboy Monument located on Church Street in Belford.

Middletown honors those who gave the ultimate sacrifice for our country at our annual Memorial Day Parade.

Vietnam Veterans Monument Rededication

The Middletown Veterans Affairs Committee held a rededication ceremony on Saturday, September 9th for the Township's Vietnam Veterans Monument in recognition of three names that were added. It was an important service for Vietnam Veterans who were Killed in Action and their families, and a fitting tribute to honor them. Uras Monuments of Middletown generously donated their time and added the following names to the monument:

George P. Berg, Army, CWO
Thomas H. Birch, Marine, CPL
Dennis W. Klein, Army, SP4

EMS Cadet Awards: Mayor Gerry Scharfenberger and Deputy Mayor Stephanie Murray attended the EMS Cadet Awards in June at Fairview First Aid. The EMS Cadets are young men and women, ages 14 to 18, who learn basic life support skills. At age 16, they can ride the ambulances in Middletown and further their skills and experience to become first aid members. The members of the program are our future EMS members serving and protecting the Township. High schoolers interested in joining can call the EMS office at 732-615-2252 for more information.

Firefighter Bud McKnight Commended for 50 Years of Service:

Austen B. McKnight, Jr., also known as "Bud", of the Lincroft Fire Company was commended for 50 years of dedicated service and invaluable contributions to the community at a Township Committee meeting this summer.

New Walkway at Ideal Beach! Before the Ideal Beach Party on July 27th, Township officials and employees, Ideal Beach Community Association members, and executives from T&M Associates gathered at the new pedestrian walkway and deck for a ribbon cutting ceremony. The structured pedestrian access to the beach is part of the dune restoration project. There is also an improved parking lot. Stop by the beach to check it out!

NJBPU Microgrid Grant: Township Committeeman Tony Fiore, Mayor Gerry Scharfenberger, New Jersey Board of Public Utilities President Richard Mroz, Township Administrator Anthony Mercantante, and Community Plans & Liaison Naval Weapons Station Earle Dennis Blazak at the August 30th Microgrid press conference held at Butler Park in Port Monmouth. In July, the NJ BPU awarded the Township a \$150,000 grant to conduct a Microgrid Feasibility Study. The press conference highlighted the benefits of the proposed study and how crucial it is to have advanced local microgrids that can improve energy resiliency and help Middletown prepare for emergencies.

Best Wishes to Township Committeeman Stephen G. Massell!

The Middletown Township Committee awarded Stephen Massell with a proclamation and a "Key to the City" in appreciation for his eight years of service at the October 16th Township Committee meeting. He was elected to the Township Committee three times and served as Deputy Mayor in the years 2012 and 2015. During his time on the Township Committee, Steve worked diligently to keep property taxes down while continuing to maintain and improve our quality of life. He also worked to help protect the community through trying times such as Superstorm Sandy and Hurricane Irene. Steve has also been an advocate for affordable housing initiatives for people who have family members with special needs. Steve has accepted a position on the Monmouth County Tax Board and we wish him well in his future endeavors.

Crossroads of Middletown: Free Substance Abuse Evaluations and Counseling

Crossroads of Middletown is a free substance abuse counseling program. We offer free substance abuse evaluations for all of Monmouth County, as well as free individual and family substance abuse counseling for residents of Middletown. If it is determined that a higher level of care is needed, our counselors work with individuals to refer them to the proper facility that would better suit their needs. In addition to counseling services, we offer annual prevention services for Middletown youth through the Middletown Municipal Alliance. If you or someone you know is in need, or you are interested in finding out more about our programs, visit the Crossroads page at www.middletownnj.org or call 732-615-2277.

Middletown Social Services Needs Holiday Helpers

The Social Services Division is looking for individuals, groups, and businesses to adopt underprivileged households this holiday season. The Adopt-A-Family Program is simple, but very rewarding. You get a small shopping list of items that a child and parent would like. As a "foster" family, you provide a few items or gift cards to the adopted family in hopes that they too may have a special day. Social Services is also accepting any "extra" free turkeys or hams you might receive during the many supermarket promotions for local families in need. Donations can be brought directly to the Middletown Food Pantry, 180 Main Street, Port Monmouth. Please contact Kathy Straniero in the Social Services Department at 732-615-2085 for more information.

"DRUGS AND ALCOHOL AMONG US" SERIES

The Middletown Township Municipal Alliance to Prevent Alcoholism and Drug Abuse produced a series of five informational videos about drug abuse and prevention resources that will be featured on our Township's website and Municipal TV station (Verizon FiOS Channel 26 and Comcast Cable Channel 20) this fall/winter. If you have a friend or family member who you suspect may be abusing drugs and would like to contact a counselor or schedule a substance abuse evaluation, please reach out to Crossroads at (732) 615-2277.

SUSTAINABLE JERSEY GRANT

In May, the Township was awarded a \$20,000 Sustainable Jersey grant funded by the PSEG Foundation to construct a green pavilion with a living roof in Poricy Park. This modular green roof will have various forms of vegetation including an irrigation system. The pavilion will be used as an outdoor classroom for children to learn about the positive impact that green infrastructure has on long-term sustainability. The grant funds, along with a donation from the Poricy Park Conservancy and Township monies, will enable the Township to move forward with these plans.

Rick Dovey, Chair of Sustainable Jersey Board of Trustees, Vic Wymbs, Assistant Director of Public Works, Elaine Hinckley, President Poricy Park Conservancy Board of Trustees, Janet Dellett, Recreation Director, Amy Sarrinikolaou, Director of Community Development, Maria Spina, Corporate Responsibility Stakeholder/PSEG Foundation Program Officer and Randall Solomon, Executive Director of Sustainable Jersey at the 2017 Sustainable Jersey and PSEG announcement event in May.

All Pets Must Be Licensed In Middletown

The Township of Middletown requires that all dogs and cats be licensed. All dog license renewals must be completed by January 31st, and cat renewals by September 30th, or you will be subject to late fees. Dogs must have a rabies vaccination that is valid for 10 months out of the licensing year. Your cat's vaccination must be valid on the date you apply for their license. To obtain proof of your animal's vaccination history, simply contact where the vaccination was administered. You can then apply for your animal's license through the mail, online, or in person at the Middletown Health Department. If licensing through the mail, remember to pick up an application, or you can print one from the Township's website www.middletownnj.org. If you have any questions please call the Middletown Township Health Department at (732) 615- 2097, or go to the office located at 180 Main Street in Port Monmouth.

MTPL 100th Anniversary Library Logo Contest

As we near the 100th anniversary of the Middletown Township Public Library, the Board of Trustees and Library Administration are exploring new services and fresh ideas that will lead the library for the next 100 years. One area in need of modernizing is the library's logo.

The library has long been a community center that offers so much more than books. The Library Board and Director wish to convey that message with a new logo that embodies the heart of the library and expresses the mission of Middletown Library – to enrich, empower and educate its community. The Board of Trustees is pleased to announce the **Library Logo Contest**.

The contest is open to all Middletown students in grades 6 - 12. Students are asked to design a new logo that symbolizes the mission of the Middletown Public Library and articulates the true identity of the library as a community center offering opportunities for both education and entertainment. Deadline for submissions will be **November 30, 2017**.

Submissions will be judged by the Library Board of Trustees and one winner will be announced at the December 13, 2017 meeting of the Library Board of Trustees. The winner will receive a \$250 prize and community-wide recognition. The new logo will be used on the library's website, letterhead, flyers, and other library documents.

Artists may submit their designs by mail or email. Paper and digital submissions will be accepted. Digital submissions must be in JPEG format. Submissions will be reviewed in both color and black/white.

Please include your name, address, phone number, and email address with your submission. One entry per person. Middletown Township Public Library employees and their families are not eligible. For questions, please contact Kim Rinaldi, Library Director, at (732) 671-3700. Mail submissions to: Middletown Township Public Library, Logo Contest, 55 New Monmouth Rd. Middletown, NJ 07748. Email submissions to logocontest@mtpl.org.

Host Your Next Private Event at the MTPL Community Room!

With a room capacity of 150 people, the MTPL's Community Room may be the ideal space for residents to host private events such as birthday parties, fundraising events, business meetings, and other private gatherings during weekend hours when the library will be closed to the public. Fees run from \$150 for a 2-hour rental to \$300 for a 4-hour rental, making this an affordable option for residents seeking a large space to hold a weekend event. More information and the rental application are available on the library's website at www.mtpl.org.

Fall/Winter Middletown Township Public Library Events for Children

Choose Kind! Wonder Event for Ages 4 & up

Date: 11/6 @ 2:30 pm

Based on the bestselling book and upcoming movie, "Wonder" by R.J. Palacio, we'll make some kindness projects and brainstorm to create our own "precepts" or words to live by.

LOST AMUSEMENT PARKS OF THE NORTH JERSEY SHORE

Date: 11/3/2017 - Time: 2 to 3 PM

Rick Geffken's and George Severini's new book, "Lost Amusement Parks of the North Jersey Shore", brings together rarely seen images from local historical societies, and private collections to document how the Jersey Shore became the most famous vacation and recreational destination in the coastal United States. James Bradley in Asbury Park and William Sandlass Jr. in Highland Beach created mass entertainment for hundreds of thousands of people. Their seaside recreation centers, along with those in Long Branch, Bradley Beach, Pleasure Bay, and others, endured for years but are just fond and fading memories today. Come hear the author describe these parks.

SUPER MUSIC OF THE MOVIES CONCERT

Date: 11/4/2017 - Time: 2 to 3 PM
