

Two Events, One Fun Day!
Community Supports Mayor's Challenge and Middletown Day

Mayor Tony Perry, Deputy Mayor Rick Hibell, and Committeewoman Kimberly Kratz were all smiles as they cheered on participants at the Mayor's Challenge!

Mayor Tony Perry's son, Grant, plays peek-a-boo with our Middletown Day 2023 sign!

Despite being postponed, our community was finally able to come together for the Mayor's Challenge and Middletown Day this past Sunday! Thank you to everyone who spent their morning racing the trails of Poricy Park with us at the Mayor's Challenge and then coming to the Great Lawn at Croydon Hall to celebrate everything that makes our town special at Middletown Day.

The Mayor's Challenge 5K winner crosses the finish line!

We're proud to share that all proceeds from the Mayor's Challenge will benefit RallyCap Sports Central New Jersey, a local nonprofit that brings recreational opportunities to children and young adults with special needs while also providing life-changing volunteer opportunities. Middletown Day was also once again fully funded through our wonderful sponsors, vendor registrants, and patrons.

We had a blast at both events and are excited to announce that next year's Middletown Day will take place on Saturday, September 28th!

Last week, The Dog Barn and Groom (409 NJ-36) opened in Port Monmouth! The canine salon is an extension of Hotel for Dogs (401 NJ-36), a daycare, boarding, and training facility that has been in Middletown for 14 years. Both businesses are owned by Jackie DeGroat and run on both love and PAWSitivity. We wish The Dog Barn and Groom all the best!

Skatepark Set to Open in Mid-November

The new Kunkel Skatepark in Leonardo is almost ready for action!

Ramps, jumps, curbs, and rails have been installed in the center of the park, and the final site grading and parking lot have been completed. Finishing touches such as surface coatings, painting, and signage will be done over the next two weeks, weather permitting.

While it may look appealing to use the skatepark now, the site is still closed and not safe to use since construction continues. Anyone accessing the area for any reason will be considered trespassing so do not enter.

A grand opening will be announced soon!

Middletown Township permits owners of single-family residential dwellings to create an accessory apartment on their property for low- and moderate-income households. Buy Tickets for *Guys and Dolls* Now Playing at the MAC

Guys and Dolls, presented by The MAC Players, is playing at the Middletown Arts Center (36 Church Street) this weekend!

Set in Damon Runyon's mythical New York City, *Guys and Dolls* is an oddball romantic comedy. Gambler Nathan Detroit tries to find the cash to set up the biggest craps game in town while the authorities breathe down his neck. Meanwhile, his girlfriend and nightclub performer, Adelaide, laments that they've been engaged for fourteen years. Nathan turns to fellow gambler, Sky Masterson, for the dough, and Sky ends up chasing the straight-laced missionary, Sarah Brown, as a result. *Guys and Dolls* takes us from the heart of Times Square to the cafés of Havana, Cuba, and even into the sewers of New York City, but eventually, everyone ends up right where they belong.

Tap into Federal Housing Administration's 203(k) Program to Help Rehab or Renovate Your Home

If you want to finance the purchase of a home that needs rehabilitation or finance improvements to your current home, the [Federal Housing Administration's \(FHA\) Section 203\(k\) Rehabilitation Mortgage Insurance Program](#) (203(k) Program) may be the right choice for you. This program is available through FHA-approved lenders and allows homebuyers to finance the purchase of a home or homeowners to refinance a current mortgage, combining the cost of renovations, repairs, or remodeling into a single loan.

The program permits homebuyers and homeowners to have home repair

improvements incorporated into their mortgage. This way you can quickly and easily tap into cash to pay for property repairs or improvements, such as those identified by a home inspector or an FHA appraiser. Those who are buying a home can make it move-in ready by remodeling the kitchen, painting the interior, or purchasing new carpet. Homeowners can make property repairs, improvements, or prepare their home for sale. The 203(k) Program is also often used to rebuild or repair after a natural disaster such as a flood or hurricane. It is also available to HUD-approved non-profit organizations and government agencies.

For more information and resources, check out [this pamphlet](#) (PDF).
