Township of Middletown, NJ Voluntary Participation Agreement Mitigation Assistance Program Due December 15, 2023

Form must be completed in its entirety. Incomplete forms will not be accepted.

I request to be considered for the Mitigation Assistance Program for my property located in Middletown, NJ.

The Township of Middletown will provide an opportunity for homeowners with properties identified by FEMA as Repetitive Loss (RL), Severe Repetitive Loss (SRL), or Substantially Damaged (SD) to request to be included in Middletown's application to NJOEM for Flood Mitigation Assistance (FMA) from FEMA.

The program is intended to elevate homes covered through the National Flood Insurance Program (NFIP) to the local design flood elevation (base flood elevation (BFE) + 1 foot) or higher to mitigate damage from future flood events.

Please read and initial/fill in the following program guidelines:

Initial below:

_____ I understand that participation in this program is voluntary.

_____ I understand that I can withdraw participation at any time until I sign a Grant Agreement with Middletown.

_____ I understand that by signing this agreement, I acknowledge that my participation will include a preliminary environmental review of my property, a Benefit-Cost Analysis, verification of my status with the National Flood Insurance Program (NFIP) and evaluation of my property's history of loss due to flood.

_____ I understand that by **December 15, 2023**, I must provide the following documentation, at a minimum in order to be considered for the Mitigation Assistance Program:

- Photographs of my home
- National Flood Insurance Program Policy
- A complete and signed copy of this document
- A signed Declaration and Release that:
 - I acknowledge that Middletown does not guarantee that my property will be selected for this year's application through FEMA. This does not prohibit me from applying again in the future.
 - I understand that if my property is selected and I choose to sign a Grant Agreement, my home will be elevated in accordance with State and local code.

- I understand that if my property is selected and I choose to sign a Grant Agreement, all will be required to temporarily vacate the home while under construction. Depending on the result of individual cost-benefit analysis, Middletown *MAY* provide an allowance to supplement temporary housing costs during this period and more information will be provided in the future. This is not a guarantee.
- I understand that if my property is selected and I choose to sign a Grant Agreement, all insurance benefits related to the repair or elevation of my home, including, but not limited to, the Increased Cost of Compliance (ICC) coverage through NFIP, must be identified and assigned to the Township of Middletown. Middletown will use these funds to offset the cost of elevation/become part of the non-Federal cost share of elevation.

By signing the Voluntary Participation Agreement, you are agreeing to have your home included in Middletown's submission to the State of New Jersey for FEMA funding.
