

## Middletown Township Swears in First Female Municipal Court Judge

*Standing alongside her children, Judge Clark recites the Oath of Office as Mayor Perry ceremoniously swears her in.*

At the March 4<sup>th</sup> Township Committee Meeting, Mayor Tony Perry ceremoniously swore in Susan Schroeder Clark, Esq. to serve as the first female municipal court judge in the Township's history. Ms. Clark's appointment was unanimously approved by the Township Committee by resolution at the February 20<sup>th</sup> meeting. She began serving Middletown Township on Thursday, March 7<sup>th</sup>.

“It is particularly meaningful that we are swearing in the Honorable Judge Clark during Women’s History Month,” said Mayor Tony Perry. “On behalf of the Township Committee, I welcome her as the first woman to hold the job and look forward to the impact she will make in our community.”

After Judge Clark was sworn in and presented with the Women's History Month proclamation, Mayor Tony Perry presented Middletown High School South junior Thea Rowland with a certificate to celebrate her becoming the 2024 NJSIAA Wrestling Female Individual State Champion in her weight class!

Thea has been chasing this dream since 6<sup>th</sup> grade and she is the first female from the school to capture this title — a title that hasn't been won since 1994. We were incredibly proud to honor her, especially during Women's History Month. Please join us in congratulating Thea on this historic milestone!

## Middletown Continues Celebrating Read Across America!

This week, Mayor Tony Perry and Deputy Mayor Rick Hibell were guest readers at several schools throughout Middletown in honor of Read Across America Week, a nationwide event that celebrates reading and imagination.

On Wednesday, Mayor Perry began his morning at Fairview Elementary School where he read *Sofia Valdez, Future Prez* by Andrea Beaty to the entire 5<sup>th</sup> grade (Ms. Valinotti's and Ms. Sabolchick's classes). Later that day, Mayor Perry stopped by New Monmouth Elementary School to read *Say Something!* by Peter H. Reynolds to 1<sup>st</sup> graders (Ms. Callas' and Vaughan's classes).

At the same time, Deputy Mayor Hibell was at Bayview Elementary School where he read *Superhero School* by Aaron Reynolds to 3<sup>rd</sup> graders (Ms. Fichner's, Ms. Reda's, and Mrs. Silverstein's classes) - in his 4<sup>th</sup> grade classroom and with the

Deputy Mayor Hibell and his mom Denise Hibell, a retired Middletown Township Public School teacher who taught at Bayview, read a book together.

help of his mom who used to teach there! While there, Deputy Mayor Hibell also ran into his 4<sup>th</sup> grade teacher who was a guest reader in a different classroom!

Mayor Perry ended this week of fun at Nut Swamp Elementary School where he read *What Do You Do with An Idea?* by Kobi Yamada to 4<sup>th</sup> and 5<sup>th</sup> graders. The students asked important questions about the mayor's role and our community and had a lively discussion about the importance of voicing your opinion and not being afraid to share your ideas. Special thanks to Reading Specialist Jennifer Binney for organizing the guest readers and to all the teachers and students for the warm welcome (4<sup>th</sup> grade teachers: Miss Montgomery, Mrs. Montesano, Mrs. Gimeli, and Mrs. MacLellan and 5<sup>th</sup> grade teachers: Miss G. Wills, Mrs. Wills, Miss Halek, Mrs. Hurley, Mrs. Ferrari and Mrs. Jennings). The morning of learning wrapped up with an impressive 4<sup>th</sup> grader reciting the names of all the U.S. Presidents to Mayor Perry. Well done!

## Girl Scout Troop 688 Discuss Community with Mayor at Town Hall

On Wednesday, Mayor Perry met with Girl Scout Troop 688 which consists of students from Lincroft Elementary School and Oak Hill Academy. The scouts asked great questions and learned a lot about how local government works in our community. We can't wait to see how these young leaders help shape the future of our town!

## Middletown Fire Prevention Encourages Residents to Read About Lithium-Ion Battery Safety

**Lithium-Ion Battery Safety**

Lithium-ion batteries supply power to many kinds of devices including smart phones, laptops, e-scooters and e-bikes, e-cigarettes, smoke alarms, toys, and even cars. If not used correctly, or if damaged, these batteries can catch on fire or explode.

**The problem**

- These batteries store a large amount of energy in a small amount of space.
- Sometimes batteries are not used the right way; batteries not designed for a specific use can be dangerous.
- Like any product, a small number of these batteries are defective. They can overheat, catch fire, or explode.

**Safety Tips**

- Purchase and use devices that are listed by a qualified testing laboratory.
- Always follow the manufacturer's instructions.
- Only use the battery that is designed for the device.
- Put batteries in the device the right way.
- Only use the charging cord that came with the device.
- Do not charge a device under your pillow, on your bed, or on a couch.
- Do not keep charging the device or device battery after it is fully charged.
- Keep batteries at room temperature when possible. Do not charge them at temperatures below 32°F (0°C) or above 105°F (40°C).
- Store batteries away from anything that can catch fire.

**Signs of a Problem**

Stop using the battery if you notice these problems: odor, change in color, too much heat, change in shape, leaking, or odd noises. If it is safe to do so, move the device away from anything that can catch fire. Call 9-1-1.

**Battery Disposal**

- Do not put lithium-ion batteries in the trash.
- Recycling is always the best option.
- Take them to a battery recycling location or contact your community for disposal instructions.
- Do not put discarded batteries in piles.

**Charging an E-bike**

Charge your battery in a flat, dry area away from children, direct sunlight, liquids, tripping hazards, and in a location where the e-bike is not at risk of falling.

**Monmouth County Mosquito Madness Tire Pick-up  
Program is Available through Sunday, 3/31**

## Mosquito Madness Tire Pick-up Program

Tires stored outside hold enough rainwater for mosquitoes to grow. One tire can produce more than 10,000 biting mosquitoes.

Help protect your family and friends from mosquitoes by taking part in the 2024 tire pick-up program.

Monmouth County Mosquito Control personnel will come to your property and pick up as many as **10 car tires without rims** – you do not need to bring the tires to the curb!

**Call 732-542-3630 to make arrangements TODAY!**

You'll need to provide your name, address, number of tires and the location of the tires on your property.

Tires will be picked up between  
**February 1 and March 31, 2024**

If you have tires you want to keep,  
store them inside or securely cover

Mosquito Madness is a program of the Monmouth County Board of County Commissioners

The Monmouth County Mosquito Control Division will be picking up tires through Sunday, March 31<sup>st</sup> to help prevent mosquitoes from growing in tires that hold rainwater. The division will come to your property and collect up to 10 car tires without rims. Please call 732-542-3630 and provide your name, address, number of tires, and the location of the tires on your property to arrange a pick-up. You do not need to bring the tires to the curb.

The Middletown Township Health Department encourages residents to participate in this program if you have tires that are wet and ready to be discarded. If you have tires you want to keep, please either store them inside or securely cover them if they are outside.
