

## Middletown Township Announces 15 Percent Reduction of NJ Transit Parking Fees

*Reduction is in Direct Response to NJ Transit Fare Increase*

On Monday, April 15<sup>th</sup>, Mayor Tony Perry announced a plan to counteract the recent decision by Governor Phil Murphy and the NJ Transit Board, which imposed a burdensome 15 percent increase in transit fares. In direct response to this decision, Mayor Perry and the Middletown Township Committee will introduce a 15 percent reduction in NJ Transit parking fees within Middletown, aiming to ease the financial strain on our commuters.

**Mayor Perry and the Township Committee will introduce an ordinance at the Monday, April 22<sup>nd</sup> Township Committee Meeting with a public hearing to be held on Monday, May 6<sup>th</sup>. The fare reduction would take effect immediately and will be fully implemented prior to the fare increase by New Jersey Transit on July 1, 2024.**

## Mayor Tony Perry Celebrates Earth Day with Nut Swamp Kindergarteners

Mayor Tony Perry started his Friday morning on a positive note by reading to Michelle Michalski-Miles', Elizabeth Mullee's, and Erin Stripto's three kindergarten classes at Nut Swamp Elementary School! Mayor Perry was originally supposed to read there during Read Across America Week, but was unable to at the time.

With Earth Day being on Monday, Mayor Perry read the books *Compost Stew: An A to Z Recipe for the Earth* by Mary McKenna Siddals and *The Pout-Pout Fish Cleans Up the Ocean* by Deborah Diesen. After reading, Mayor Perry got a tour of the school garden that the kindergarteners help take care of.

*Photo courtesy of New Jersey Department of Environmental Protection*

With Earth Day (Monday, April 22<sup>nd</sup>) only a few days away, we would like to remind residents about the importance of taking care of our planet and treating every day like Earth Day.

Stay on the lookout for upcoming volunteer opportunities and check out the [Middletown Green Team](#) and [Middletown Clean Communities Program](#)!

## Boil Water Advisory Issued for New Jersey American Water Customers in Portions of Middletown

As a result of a 6-inch water main being hit during a township sewer rehabilitation project along Bay Avenue between Miller Street and Valley Street in Highlands, New Jersey American Water (NJAW) has issued a boil water advisory for customers residing in the following areas:

- Properties located east of the intersection of Washington Lane and Hartshorne Road in Middletown Township
- Properties located north of Shrewsbury Way in Sea Bright
- All of Highlands

The main repair was completed on Thursday, April 18<sup>th</sup>, and NJAW's water quality teams mobilized swiftly to collect the necessary samples into the early morning hours. It takes approximately 24 hours to get results. NJAW anticipates to have an update on the boil water advisory early Saturday, April 20<sup>th</sup>. Please continue to boil

water until you are notified that the boil water advisory is lifted. NJAW will update impacted customers when the advisory has been lifted via the company's alerts notification system.

April is Autism Awareness Month. In recognition of this month-long celebration, the Middletown Township Police Department (MTPD) is participating in the Blue Envelope Program which was developed to assist drivers with Autism Spectrum Disorder (ASD) and police officers working with them during a traffic stop. The Blue Envelope helps drivers with organizing their documentation and provides tips and education for officers on how to best assist someone with ASD.

Blue Envelopes are available at the Police Desk window, located at the front entrance of the Middletown Township Police Department Headquarters (1 Kings Highway). The Police Desk window is open 24/7. Enclosed in the Blue Envelope is an emergency contact form. The Blue Envelope Program is sponsored by the Monmouth County Police Chiefs Association.

## JCP&L's Ownership Guidelines for Your Home's Electrical System

# Who Owns What?

Ownership Guidelines for Your Home's Electrical System

When your home's exterior electrical system is damaged, it's important to understand which components are our responsibility and which are yours.

If you receive overhead electric service, we are responsible for the following components:

1. Service Drop – The wires running from the utility pole to your home.
2. Electric Meter – Measures your electricity use in kilowatt-hours.

You own and are responsible for repairing the following:

3. Weatherhead and Insulator – This is the point where our electric lines connect to your home.
4. Service Entrance Cable – The wire that extends from your weatherhead to the meter and from the meter to your fuse box or circuit breaker box.
5. Meter Base – Your meter is mounted in this box.
6. Fuse Box or Circuit Breaker Box – This is the main service panel that houses your fuses or circuit breakers.
7. Household Wiring – The interior wiring that distributes electricity through your home.

As a customer, it's also your responsibility to maintain open access to the meter and keep obstructions away from power lines that extend from the utility pole to your home. If trees on your property grow near power lines, don't prune or remove them yourself. Consult with a tree contractor who is qualified to work around electric equipment.

We all play an important part in making electricity safe and reliable. This fact sheet contains general ownership guidelines. For more detailed information, visit [www.firstenergycorp.com/builders-contractors](http://www.firstenergycorp.com/builders-contractors), or call 1-800-662-3115.
