*Mayor Tony Perry proudly poses with his wife Alannah, their three children Reagan, Grant, and Kennedy, and former Assemblyman Jack Ciattarelli who swore him into his mayoral seat.*

**Middletown Township held its annual reorganization meeting on Sunday, January 5<sup>th</sup>. Tony Perry, who was elected in November, was sworn into the Township Committee to serve his three-year term.**

**The Township Committee selected Tony Perry to serve his seventh consecutive year as mayor, making him the longest serving mayor in over 75 years. Rick Hibell was also chosen to serve as deputy mayor for his fifth consecutive year. This duo is the longest-serving mayor and deputy mayor leadership team in Middletown's**

history.

**Monmouth County Clerk Christine Hanlon led the Pledge of Allegiance and Father Jeff Kegley of Saint Mary, Mother of God Church performed the Invocation.**

**The 2025 Middletown Township Fire Department (MTFD) and Emergency Medical Services (EMS) chiefs were also sworn in by Mayor Perry. The meeting ended with our dedicated volunteers from various boards, commissions, and committees reciting their Oaths of Office.**

**Congratulations to everyone who was sworn in and thank you for your commitment to our community!**

## **Middletown Township Signs Sister City Pact with Ofakim, Israel**

*Mayor Tony Perry and Mayor Itzik Danino proudly display their signed sister city pact. (Photo courtesy of Patrick Olivero)*

**On Monday, January 6<sup>th</sup>, Mayor Tony Perry and Ofakim, Israel Mayor Itzik Danino signed a sister city pact to symbolically unite the two cities they govern. This is Middletown's first sister city agreement in its 361 years of history.**

**Mayor Perry's bond with Mayor Danino first began in January 2024 when he visited Ofakim following the aftermath of October 7, 2023 and its heartbreaking loss of 48 residents. Middletown lost 37 residents on September 11, 2001 and continues to feel the impacts from that fateful day. As a result of their communities' experiences with terrorism and grief, Mayor Perry and Mayor Danino quickly built a friendship rooted in resilience and remembrance.**

**As part of the sister city pact, Middletown and Ofakim will form a committee of representatives from both cities to uphold the principles of their agreement. The committee will meet on an annual basis to review their progress and discuss technology, agriculture, and sustainable development practices, encourage business partnerships, share first responder training tips, and promote research opportunities and educational innovations throughout the year.**

## Community Supports Blood Drive with NJ Blood Services/NY Blood Center at Town Hall

*Mayor Tony Perry donated blood with the help of nurse Jacqueline from the New York Blood Center.*

On Thursday, Middletown partnered with New Jersey Blood Services/New York Blood Center to host a blood drive at Town Hall. We are proud to report that 49 donors were registered and a total of 62 units of blood were collected. Thanks to our community's generosity, 186 patients may benefit from the blood collected.

Stay on the lookout for future blood drives!

## BENEFITS OF LICENSING YOUR DOG

Animal Control

[middletownnj.org/petlicensing](https://middletownnj.org/petlicensing)

**A dog license proves that  
your pet is vaccinated and  
promotes public health.**

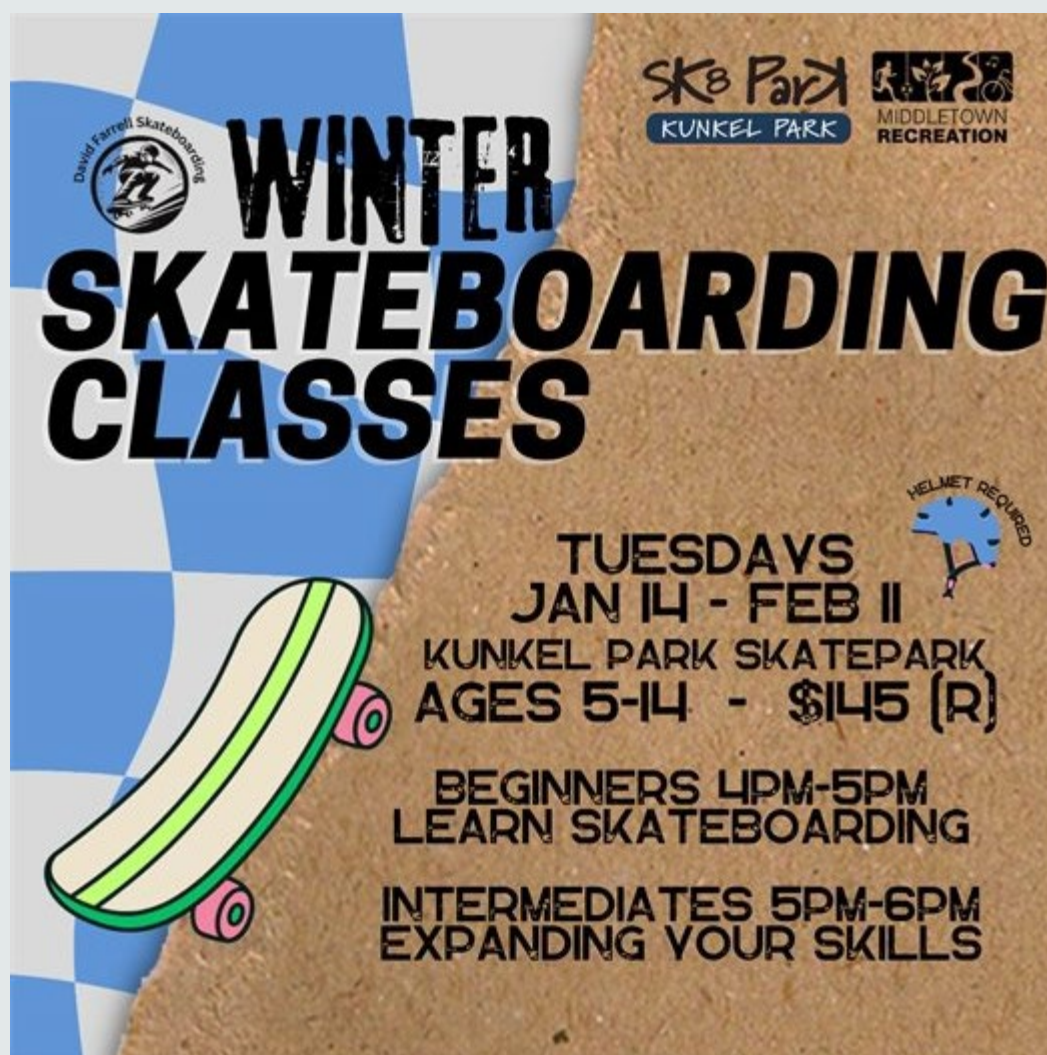

Dog licenses are only provided to pets who have an updated rabies shot. A dog with a license tag gives good samaritans the confidence to approach a lost pet, since they know that they are not rabid.

With dog license renewals currently taking place, Middletown Animal Control would like to remind residents about the benefits of licensing your dog! Throughout the month of January, we will be sharing these advantages via our communications channels. Be sure to follow Middletown Township on [Facebook](#), [Instagram](#), and [X!](#)

## TRAFFIC SAFETY & DETOURS

MIDDLETOWN  TOWNSHIP

- From Monday, January 6<sup>th</sup> through Friday, January 17<sup>th</sup>, Chapel Hill Road will be closed at Whipporwill Valley Road for construction from 9:00 AM to 5:00 PM, Monday through Friday. The detour is set. Properties 1 through 230 will have access from Route 35. Properties 231 through 400 will have access from Kings Highway East.
- Beginning Monday, January 13<sup>th</sup>, Broadway will be closed between Main Street (Port Monmouth) and Church Street (Belford) due to construction of the final phase of the US Army Corps of Engineers' Port Monmouth Flood Control Project. Broadway will be closed for approximately 2 years. Detours will be posted. Port Monmouth Road between Main Street (Port Monmouth) and Church Street (Belford) is scheduled to reopen on Monday, January 13<sup>th</sup>, providing an alternate detour route for the Broadway closure.
- As part of the replacement of a bridge structure, Whipporwill Valley Road will be closed to traffic for a period of 90 consecutive calendar days. The project began on Monday, December 2<sup>nd</sup> and a detour will be in place during the closing period. The bridge area at Whipporwill Valley Road will be closed to vehicular and pedestrian traffic during the allowed closing period. Vehicular and pedestrian access to all residences and businesses within the project limits will be maintained during construction.

## Upper Navesink River Channel Dredging Project Continues

On November 21<sup>st</sup>, New Jersey Department of Transportation (NJDOT) officials announced the Upper Navesink River Channel dredging project that began in early December in Middletown.

Dredging operations are expected to be completed in January 2025. Work is being conducted during daylight hours on a 7-days-a-week schedule. The area roads are expected to remain open through the duration of the project.

## How to Protect Your Pipes During the Colder Months

### AVOID FROZEN PIPES THIS WINTER

Before the cold sets in, locate your main water shut-off valve and hang an I.D. tag on it so you can find it quickly in an emergency. In many homes, it is located near the water meter or close to where the water pipe enters the home. Note: If your pipes do freeze, you will need to be able to turn off your water immediately. Do NOT attempt to thaw the pipes without doing so.

**We recommend that you locate and test your main water shut-off valve.**

It's a good idea to test your main water shut-off valve to be sure it works properly. To test, slowly close it. If you have a ball valve, it generally only requires a quarter turn to close. Gate valves are generally closed by turning the handle clockwise and should turn easily. You may need to have it serviced if it does not close easily.

Once the shut-off valve is completely closed, check sinks and other water fixtures to make sure you found the main water valve and that it is working properly. If no water comes out of any faucets, CONGRATULATIONS, you found your shut-off valve! See more tips to the right.

If pipes run through cabinets or vanities, open the doors to let warmer room temperatures flow in.

Protect your pipes. Wrap them with insulation or heat tape before cold weather sets in.

Check sprinkler or irrigation systems. Make sure everything is turned off and drained.

Eliminate sources of cold air near water lines and fix drafts around windows and doors.

When temperatures stay below freezing, keep water moving through the pipes by allowing a small trickle of water to run.

#### DO YOU KNOW HOW TO REPORT A WATER EMERGENCY?

To report a water emergency to us, visit [amwater.com](http://amwater.com), select your state from the drop down, and click on the **Report Emergency** button in the upper right hand corner.

[Click on the graphic to view it in a larger PDF.](#)

Now that it is officially winter, we encourage you to take some preventative measures to avoid frozen pipes! In the graphic above, New Jersey American Water provides some helpful tips.

In addition to avoiding frozen pipes, it is also important to keep in mind that you should not pour fats, oils, or grease down the drain. You should dispose of them in the trash instead. This tip should be practiced year-round, but is especially relevant during the holiday season when family and friends tend to be gathering together for meals more often.

## Prepare Your Home for Winter Storms with Flood Insurance and Precautionary Steps

Middletown Floodplain Management encourages residents to purchase flood insurance and winterize their homes by insulating walls and attics, caulking and weather-stripping doors and windows, and installing storm windows or covering windows with plastic.

Remember to clear rain gutters, repair roof leaks, and cut away tree branches that could fall on a house or neighboring structure during or following a storm. Keep pathways and driveways clear between storms to avoid buildup of snow piles and icing. Maintain heating equipment and chimneys by having them cleaned and inspected every year by a qualified professional.

## VACANT/ABANDONED PROPERTY POLICIES IN MIDDLETOWN

Middletown Township has an ordinance that requires owners of a business or vacant and abandoned property to maintain liability insurance for negligent acts and omissions.

The ordinance holds property owners responsible for maintaining and securing the property since vacant, abandoned, and blighted properties can cause a cycle of neighborhood deterioration. The ordinance penalizes owners whose property remains vacant year after year.

## HOW TO REGISTER OR REPORT VACANT/ABANDONED PROPERTY

Please visit [middletownnj.org/abandonedproperty](http://middletownnj.org/abandonedproperty) to either register your vacant/abandoned property or report a vacant/abandoned property.

You can also contact Lisa Vena from the Planning & Community Development Department at 732-615-2000 ext. 2283 or [lvena@middletownnj.org](mailto:lvena@middletownnj.org) if you have any additional questions.
