

Township Committee Recognizes Two Monmouth United Soccer Club Teams for Winning NJ State Cup Titles

Athletes from both teams show off their trophies and MUSC banner alongside Mayor Tony Perry and Coach Lee Drury!

At the Township Committee Meeting on Tuesday, January 21st, Monmouth United Soccer Club (MUSC) 2013 Boys Premier I and 2014 Boys Premier II teams were given congratulatory certificates for their recent New Jersey Youth Soccer (NJYS) accomplishments!

The 2013 Boys Premier I team won the 2024 NJYS State Cup National Championship Series and the 2014 Boys Premier II team won the 2024 NJYS State Cup Presidents Cup. In addition to getting certificates signed by Mayor Tony Perry, the teams also began the meeting by leading the Pledge of Allegiance.

Indigo Shore Art Studio Opens in Belford

Committeeman Ryan Clarke was honored to join the Korkmaz family for the ribbon cutting!

On Saturday, Indigo Shore Art Studio (290 East Road, Belford) officially opened its doors. The studio's team specializes in custom pre-sketched paint canvases, digital art, and dance parties to create memorable moments for everyone, whether they're hosting a birthday party or just looking for a fun activity to enjoy!

The Korkmaz family already owns two locations in Westfield, and is thrilled to open their first one in Middletown — especially as Middletown residents!

Follow the studio on Instagram ([@indigoshore.artstudio](#)) and visit [indigowestfield.com](https://www.indigowestfield.com) for more information about their services.

OPTION 4

We're thrilled to invite the Middletown community to participate in shaping the future of Waloo Park, which is located on Main Street in Port Monmouth! We've selected four fantastic playground designs, and now it's your turn to tell us which one you prefer.

As part of this exciting project, the playground's location within the park is changing. The new playground will be placed slightly closer to Main Street than the former playground, and the old asphalt area will be removed. This change will leave the back part of the park as open green space — perfect for pick-up games, relaxation, and enjoying the outdoors!

Once the survey is complete, we'll share the results. Our goal is to purchase the selected playground equipment by the end of March. If everything stays on track, construction could begin as early as July, with the new playground ready for use by this fall!

The last day to complete the survey is Friday, February 7th, so don't miss the chance to share your input!

Visit middletownnj.org/waloo for more information and to complete the survey.

Connect with the Township to Help Correct Concerns

Middletown Township is now utilizing the “See-Click-Fix” platform so residents can easily contact the Township to report any concerns. The Township is branding this reporting tool as *Connect & Correct* since you can submit your request via the website and track its progress through completion.

Visit middletownnj.org and click on the **Connect & Correct** button. This link will direct you to a page of categories you can choose from to report your concern.

Simply choose the relevant category from the list such as lost pet, pothole, sidewalks, playgrounds, etc. and add a brief description of the issue. You will be able to enter an address or pinpoint the location of the issue on the map. You will also have the option to attach a photo if you would like, and then you can click to submit the report.

You will then be able to track the status of the issue through updates on the platform or via email notifications.

In February, the Township will be launching the *Connect & Correct* app which should make it even easier to report your concerns on-the-go as well as streamline communications regarding any concerns you may have.

- Church Street in Belford (near Saint Mary School) will be closed between

Leonardville Road and Drift Road on or about Monday, February 3rd to replace Bridge MT-10. It will be closed to vehicular traffic through October, but pedestrian access will be maintained throughout the course of the 9-month project.

- As of Monday, January 13th, Broadway is closed between Main Street (Port Monmouth) and Church Street (Belford) due to construction of the final phase of the US Army Corps of Engineers' Port Monmouth Flood Control Project. Broadway will be closed for approximately 2 years. Detours were posted. Port Monmouth Road between Main Street (Port Monmouth) and Church Street (Belford) reopened on Monday, January 13th, providing an alternate detour route for the Broadway closure.
- As part of the replacement of a bridge structure, Whipporwill Valley Road will be closed to traffic for a period of 90 consecutive calendar days. The project began on Monday, December 2nd and a detour will be in place during the closing period. The bridge area at Whipporwill Valley Road will be closed to vehicular and pedestrian traffic during the allowed closing period. Vehicular and pedestrian access to all residences and businesses within the project limits will be maintained during construction.

Upper Navesink River Channel Dredging Project Continues

How to Protect Your Pipes During the Colder Months

AVOID FROZEN PIPES THIS WINTER

Before the cold sets in, locate your main water shut-off valve and hang an I.D. tag on it so you can find it quickly in an emergency. In many homes, it is located near the water meter or close to where the water pipe enters the home. Note: If your pipes do freeze, you will need to be able to turn off your water immediately. Do NOT attempt to thaw the pipes without doing so.

We recommend that you locate and test your main water shut-off valve.

It's a good idea to test your main water shut-off valve to be sure it works properly. To test, slowly close it. If you have a ball valve, it generally only requires a quarter turn to close. Gate valves are generally closed by turning the handle clockwise and should turn easily. You may need to have it serviced if it does not close easily.

Once the shut-off valve is completely closed, check sinks and other water fixtures to make sure you found the main water valve and that it is working properly. If no water comes out of any faucets, CONGRATULATIONS, you found your shut-off valve! See more tips to the right.

If pipes run through cabinets or vanities, open the doors to let warmer room temperatures flow in.

Protect your pipes. Wrap them with insulation or heat tape before cold weather sets in.

Check sprinkler or irrigation systems. Make sure everything is turned off and drained.

Eliminate sources of cold air near water lines and fix drafts around windows and doors.

When temperatures stay below freezing, keep water moving through the pipes by allowing a small trickle of water to run.

DO YOU KNOW HOW TO REPORT A WATER EMERGENCY?

To report a water emergency to us, visit amwater.com, select your state from the drop down, and click on the **Report Emergency** button in the upper right hand corner.

[Click on the graphic to view it in a larger PDF.](#)

Now that it is officially winter, we encourage you to take some preventative measures to avoid frozen pipes! In the graphic above, New Jersey American Water provides some helpful tips.

In addition to avoiding frozen pipes, it is also important to keep in mind that you should not pour fats, oils, or grease down the drain. You should dispose of them in the trash instead. This tip should be practiced year-round, but is especially relevant during the holiday season when family and friends tend to be gathering together for meals more often.

Prepare Your Home for Winter Storms with Flood Insurance and Precautionary Steps

Middletown Floodplain Management encourages residents to purchase flood insurance and winterize their homes by insulating walls and attics, caulking and weather-stripping doors and windows, and installing storm windows or covering windows with plastic.

Remember to clear rain gutters, repair roof leaks, and cut away tree branches that could fall on a house or neighboring structure during or following a storm. Keep pathways and driveways clear between storms to avoid buildup of snow piles and icing. Maintain heating equipment and chimneys by having them cleaned and inspected every year by a qualified professional.

VACANT/ABANDONED PROPERTY POLICIES IN MIDDLETOWN

Middletown Township has an ordinance that requires owners of a business or vacant and abandoned property to maintain liability insurance for negligent acts and omissions.

The ordinance holds property owners responsible for maintaining and securing the property since vacant, abandoned, and blighted properties can cause a cycle of neighborhood deterioration. The ordinance penalizes owners whose property remains vacant year after year.

HOW TO REGISTER OR REPORT VACANT/ABANDONED PROPERTY

Please visit middletownnj.org/abandonedproperty to either register your vacant/abandoned property or report a vacant/abandoned property.

You can also contact Lisa Vena from the Planning & Community Development Department at 732-615-2000 ext. 2283 or lvena@middletownnj.org if you have any additional questions.
