

MTPD Remembers Fallen Officers with Annual Police Memorial Service

Mayor Tony Perry extends his gratitude to Police Chief R. Craig Weber and the dedicated Middletown Township Police Department.

On Friday, May 16th, the Middletown Township Police Department (MTPD) held its annual Police Memorial Service during National Police Week, marking its 97th anniversary.

Although the ceremony is usually held outside at the Middletown Police Memorial (located at the corner of Kings Highway and Route 35), this year everyone gathered in the Courtroom at Town Hall due to inclement weather.

Current and retired MTPD officers, loved ones of the deceased officers, and community members came to pay their respects to our fallen police and K-9 officers who served the MTPD. Mayor Tony Perry, Township Committee members, County and State officials, members of the Middletown Township Public School Board of

Education and Administration, and Township staff were also in attendance.

Deputy Chief Paul Bailey began the service by announcing the Presentation of Colors by the Middletown Honor Guard, followed by a Call to Order, and the Pledge of Allegiance. Police Chaplain Reverend Dr. Dan Correa led the ceremony with the Invocation. Chief of Police R. Craig Weber and Mayor Tony Perry delivered speeches at the event, and retired Deputy Chief Eugene Hannafey and retired Sergeant Richard Deickmann of the Middletown Retired Officers Association read the names of Middletown's deceased officers while photos of the monuments were displayed. The Benediction was delivered by Deacon Marty McMahon.

To honor and remember our fallen, Bayshore Middle School student Sara Alexandre performed TAPS on the trumpet. The ceremony concluded with New Jersey State Police officers Daniel Murphy and Joseph Wurtz playing "Amazing Grace" on the bagpipes. After the event ended, guests were invited to a complimentary lunch in the Town Hall Training Room.

Holden Higgins of Saint Mary School

On Wednesday, Middletown held its annual "Mayor for a Day" program! Eight students from different elementary schools came to Town Hall to assume their mayoral responsibilities. The fun event began in front of Town Hall where the mayors got to meet members of our Police, Fire, and Emergency Medical Services departments and check out their vehicles and equipment! After, they all went to the Mayor's Conference Room where they enjoyed pizza and discussed the importance of leadership with Mayor Tony Perry, Deputy Mayor Rick Hibell, Committeewoman Kimberly Kratz, and Committeeman Ryan Clarke.

Each student had the opportunity to visit the Mayor's Office and sit in his chair as they signed their "Mayor for a Day" certificate as well as a proclamation recognizing May 26, 2025 as Memorial Day in the Township of Middletown. The certificates were also signed by Mayor Perry and brought to the young mayors' respective schools.

The certificates were signed by their principals today, allowing each student to serve as their school's mayor.

After the certificate and proclamation signing, each student received a badge and pin from Middletown Police Chief R. Craig Weber and then visited our TV Studio at Town Hall to [recite a line from the proclamation](#). With this activity, the mayors learned about the significance of Memorial Day while also getting to practice being on camera.

To get a better understanding of their new role, the young mayors ended their evening by participating in a mini Township Committee meeting, which was led by Township Clerk Heidi R. Pieluc, and included the Pledge of Allegiance, reading a proclamation for the record, and the opportunity to pass ordinances and make public comments. While on the dais, the mayors discussed different initiatives like limiting the use of leaf blowers in the morning and reducing the amount of homework.

Congratulations to our young community leaders!

Township and County Hold Second Newman Springs Road/County Road 520 Traffic Improvements Meeting

Mayor Tony Perry discusses acquiring the final easement by the Acme Access Road to make it a two-way roadway.

On Tuesday, May 13th, Middletown Township and Monmouth County hosted the second public input session to discuss traffic on Newman Springs Road/County Road 520 in Lincroft. Approximately 70 residents came to Town Hall to provide continued feedback on the proposed traffic improvements.

Mayor Tony Perry, members of the Township Committee, and Township Administrator Tony Mercantante were joined by Monmouth County Commissioner Director Tom Arnone, County Engineer Joseph Ettore, County Traffic Engineer Mike Nei, County Engineer Vince Cardone, Traffic Engineering Consultant Joseph Platt of TPD, Inc, and Middletown Township Police Department (MTPD) Lieutenant Anthony Ciccone of the Traffic Safety Bureau to provide any updates from the last meeting held in April. U.S. Naval Weapons Station Earle Community Liaison Nicholas Ginther also attended the meeting.

Mayor Perry announced that the Township acquired the final easement by the Acme Access Road so the County and Township can make it a two-way roadway. He also spoke about the importance of pedestrians utilizing crosswalks to ensure their safety. County Engineer Joseph Ettore provided an update, which included that the County retained traffic design consulting firm TPD to review the traffic data in Lincroft and provide solutions. Joseph Platt of TPD displayed some heat maps of

crashes over the last few years and shared that he recently received updated data from MTPD's Traffic Safety Bureau that will be taken into consideration. Lieutenant Ciccone spoke about the police department's ongoing enforcement efforts and said that more tickets have been issued in Lincroft.

County Commissioner Director Tom Arnone highlighted some traffic calming solutions, helped address residents' questions, and listened to their ideas. Community members provided important feedback about blind areas, where traffic backs up, and other traffic safety concerns in the Lincroft area. Another meeting is expected to be scheduled for early fall.

CDM Smith, on behalf of New Jersey American Water (NJAW), started a door-to-door canvassing effort related to the Lead Service Line Replacement Program (LSLRP) in Middletown on Monday, February 3rd. The canvassing and internal inspections are currently taking place in the Harmony Elementary School District and New Monmouth Elementary School District in Area 1 on the map above. The entire canvassing is expected to take place over the next few months.

All CDM Smith inspectors will wear co-branded (NJAW and CDM Smith) high visibility logo vests and will have NJAW-issued Contractor ID badges. Inspectors will introduce themselves and the program to property owners and will then ask to enter the home to inspect the water service where it enters into the home (typically in a basement or crawl space).

The inspector will take exterior photos of the property and interior photographs of the service material and record the pipe material identified. Inspections generally take 15 minutes or less. At no time will residents be asked for money. Any customer

that prefers to not have an internal inspection completed will be directed to alternatives to the inspections including self-reporting.

The Middletown Township Police Department is aware of the canvassing. If you have any questions about LSLRP, please email njawlead@cdmsmith.com and LeadFreeNJ@amwater.com.

Be Mindful of Baby Birds Learning to Fly

During the spring and summer, fledglings begin to adventure out of the nest while mom teaches them how to fly from the ground. This process can take a week to accomplish, and the mother will continue to care for her babies from the ground.
