## NJAW Lead Service Line Replacement Program Door-to-Door Canvassing Continues

[Click on the canvassing map to view it in a larger PDF format.](#)

CDM Smith, on behalf of New Jersey American Water (NJAW), started a door-to-door canvassing effort related to the Lead Service Line Replacement Program (LSLRP) in Middletown on Monday, February 3<sup>rd</sup>. The canvassing and internal inspections are currently taking place in the Middletown Village Elementary School District in Area 3 on the map above. The entire canvassing is expected to take place over the next few months.

All CDM Smith inspectors will wear co-branded (NJAW and CDM Smith) high visibility logo vests and will have NJAW-issued Contractor ID badges. Inspectors will introduce themselves and the program to property owners and will then ask to enter the home to inspect the water service where it enters into the home (typically in a basement or crawl space).

The inspector will take exterior photos of the property and interior photographs of the service material and record the pipe material identified. Inspections generally take 15 minutes or less. At no time will residents be asked for money. Any customer that prefers to not have an internal inspection completed will be directed to alternatives to the inspections including self-reporting.

The Middletown Township Police Department is aware of the canvassing. If you have any questions about LSLRP, please email [njawlead@cdmsmith.com](mailto:njawlead@cdmsmith.com) and [LeadFreeNJ@amwater.com](mailto:LeadFreeNJ@amwater.com).
