### Middletown WTC Memorial Gardens First Responders Stair Climb Fundraiser

First responders in the Middletown Township Fire, Police, and EMS departments will be co-hosting the First Responders Stair Climb Fundraiser with local fitness center Life Time on Sunday, September 7<sup>th</sup> beginning at 8:30 AM and competing for the most donations.

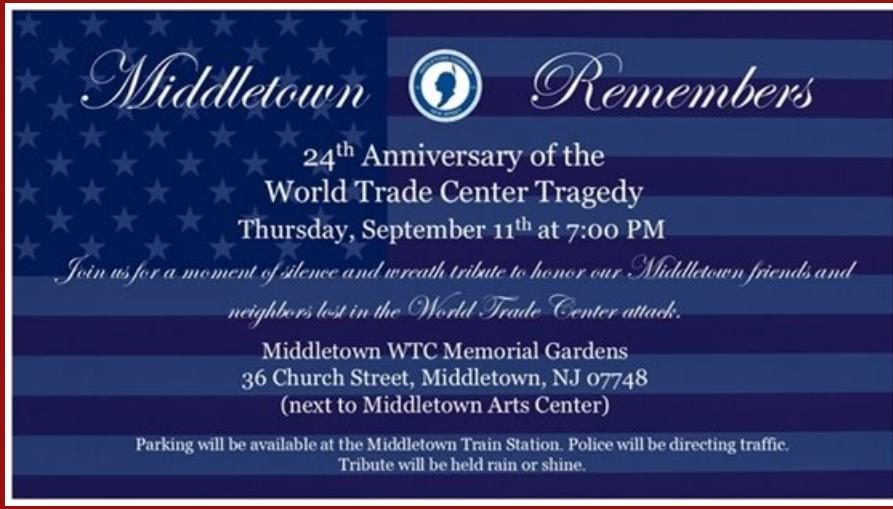

Every 30 minutes, nine first responders will climb 110 floors symbolizing the 110 floors of the World Trade Center (WTC).

The money raised through this campaign will go toward our Middletown WTC Memorial Gardens Fund, a nonprofit dedicated to maintaining and enhancing a lasting memorial for the 37 residents who perished on September 11, 2001. The WTC Memorial Gardens also pay tribute to the first responders and individuals who lost their lives as a result of that fateful day.

Your donation will help support efforts to upgrade the memorial and ensure we never forget.

Visit [middletownnj.org/wtc](https://middletownnj.org/wtc) to donate. Please note in your donation description which first responder company you're supporting.

## Monmouth County Virtual Public Information Notice for Improvements to South Laurel Avenue at the Railroad Bridge

**VIRTUAL PUBLIC INFORMATION CENTER  
MEETING NOTICE**

**Concept Development Study for Operational Safety Improvements to South Laurel Avenue (CR 52) at the Railroad Bridge**  
 Townships of Holmdel and Middletown, Monmouth County

Monmouth County, in cooperation with the New Jersey Department of Transportation, will be hosting a virtual Public Information Center (PIC) meeting to update residents, officials, businesses and the public about the Concept Development Study for the Operational Safety Improvements to South Laurel Avenue (CR 52) at the Railroad Bridge, located in the Townships of Holmdel and Middletown.

The purpose of the PIC is to update the public about the development of alternatives and potential options for the Preliminary Preferred Alternative (PPA) to satisfy the Study's Purpose and Need Statement.

The PIC will be held virtually on the County's website via a prerecorded presentation. The presentation will review existing conditions, deficiencies, and constraints at the Railroad Bridge and within the project limits, and explain the proposed alternatives developed by the Study Team. This meeting is being conducted in conformance with Federal and State regulations. All members of the public are invited and encouraged to comment on the Study.

**Beginning on August 11, 2025**, all interested parties may access the virtual PIC and learn more about the Study by visiting the County's website at <https://www.visitmonmouth.com/page.aspx?id=5324> or by scanning the QR code on this page. PIC materials will be available on the County website for review and public comment for 6 weeks. Written comments will be accepted through September 22, 2025.

Comments may be mailed to: **Anthony Sylko, Community Involvement Facilitator, Stokes Creative Group at 3223 Route 35, Suite 201, Mount Laurel, NJ 08054**. You may also email them to [asytko@stokescg.com](mailto:asytko@stokescg.com)

If you have questions regarding the project, please contact: **Vince Cardone, Monmouth County Project Manager, Vince.Cardone@co.monmouth.nj.us, (732) 431-7760**.

**Monmouth County: South Laurel Avenue Operational Safety Improvements, Concept Development Study - Public Information Center #2**

*Click on the graphic to view it in a larger PDF format.*

Monmouth County is currently advancing a Concept Development (CD) Study for improvements to South Laurel Avenue from Commons Way to AT&T Drive in the townships of Middletown and Holmdel. The purpose of the CD Study is to identify the Purpose and Need for the proposed improvements and then develop conceptual

alternatives that can be compared in order to determine which one may be recommended to advance as a Preliminary Preferred Alternative (PPA).

The first Public Information Session was held on June 27, 2023. As of Monday, August 11<sup>th</sup>, Monmouth County, in cooperation with the New Jersey Department of Transportation, is hosting a virtual Public Information Center (PIC) meeting to update the public on the status of the study.

Written comments from the public will be accepted through Monday, September 22<sup>nd</sup>. If you have questions regarding the project, please contact the Monmouth County Project Manager at [Vince.Cardone@co.monmouth.nj.us](mailto:Vince.Cardone@co.monmouth.nj.us) or 732 431-7760.

## Beware of Scams Demanding Bail Payment or Threatening Enforcement Action for Missed Court Appearances or Traffic Fines

### DON'T BE FOOLED BY SCAMS DEMANDING BAIL PAYMENT OR THREATENING ENFORCEMENT ACTION FOR MISSED COURT APPEARANCES OR TRAFFIC FINES

**The New Jersey Judiciary never initiates** unsolicited texts or emails threatening enforcement actions or demanding payment.

**No court or law enforcement agency will ever ask for bail via mobile payment apps** such as Apple Pay, Zelle, or Cash App.

**Verify:** Hang up and call the official number of the court, police department, sheriff's office, or prosecutor's office to confirm any claims.

**Bail payments for municipal court charges must be made in person**—typically with cash, a certified bond, or through a licensed bail bondsman. Charges on the Superior Court level almost never involve bail.

**Be alert for high-pressure tactics:** Threats and urgency are hallmarks of a scam. Avoid clicking links or sharing personal information.

## MTPD Promotes E-Bike Safety in PSA

# E-BIKE SAFETY

A MESSAGE FROM THE MIDDLETOWN  
TOWNSHIP POLICE DEPARTMENT

Across the country, and right here in Middletown, we're seeing a surge in injuries involving electric bikes and scooters, especially among young riders.

Deputy Chief Paul Bailey of the Middletown Township Police Department (MTPD) shares some vital information in this Public Service Announcement (PSA) about the different types of micromobility devices and the regulations that riders should follow when using them. Please tune in and stay safe!

Click [HERE](#) to watch the PSA on YouTube.

## MTPD Educates Residents about How to Legally and Safely Ride E-Bikes, Scooters & Skateboards

### E-BIKES, SCOOTERS & SKATEBOARDS

#### What to Know

**CLASS 1**

Class 1 e-bikes provide pedal assist only, meaning the motor only kicks in when you pedal, and shuts off at 20 mph.

**CLASS 2**

Class 2 e-bikes have both pedal assist and a throttle, which means they can run without pedaling - but still max out at 20 mph.

**CLASS 3**

Class 3 e-bikes only use pedal assist but go up to 28 mph. They are often treated like mopeds and may require registration, insurance, and a license if you're under 17.

**Watts** measure electric motor power. 750 watts equals about 1 horsepower.

If your e-bike exceeds **750 watts, 50cc, or 20 mph** on flat ground, it's considered a motorized bicycle and must be registered, insured, and may require a moped license if you're under 18.

Vehicles without pedals are no longer considered bikes and must also be registered and insured.

**E-SCOOTERS & SKATEBOARDS**

E-scooters can go up to 19 mph and don't require registration, but riders under 17 must wear a helmet. They're allowed on roads and bike lanes, but sidewalk use varies by town. E-skateboards are limited to 10 mph, for ages 16 and up, and must stay off sidewalks.

Wear your helmet, follow traffic laws, and ride responsibly. For more information, visit [nj.gov/mvc](http://nj.gov/mvc) or contact the Middletown Township Police Department at 732-615-2100.

**Learn More About Middletown Wellness Wheels**

# Introducing Middletown Wellness Wheels

IN PARTNERSHIP WITH **Uber Health**

The Middletown Township Health Department is proud to officially launch Middletown Wellness Wheels in partnership with Uber Health! The program was announced in February when the Middletown Township Committee unanimously passed a resolution to award Uber Health the contract.

Middletown Wellness Wheels, which is funded through a portion of the Opioid Settlement Funds awarded by the state, provides free local transportation for residents with substance use disorders, at risk of substance use disorders, or those who need access to mental health services. Middletown Township is the first municipality in Monmouth County to utilize the settlement funds in this manner.

## Middletown Township Health Department Shares Tips on How to Prevent and Treat "Sea Lice"

**Seabather's Eruption  
aka "Sea Lice"**

**Prevention:**

- Avoid beaches where larvae have been reported. You can find advisories on [njbeaches.org](http://njbeaches.org).
- Don't wear loose or two-piece bathing suits and avoid wearing shirts in the water. These garments trap larvae more easily.
- Rinse with salt water first, then gently shower. Freshwater can trigger larval toxins.
- Wash swimwear in hot water, then machine dry.

**At-Home Care:**

- Use antihistamines, hydrocortisone cream, or calamine lotion for relief.
- Apply vinegar with 5% acetic acid to the rash to help deactivate toxins.
- Put ice packs on the rash to lessen inflammation and itching.
- Avoid scratching to reduce risk of infection. If you really need to scratch, use soft gloves.
- If an infection occurs and worsens, seek medical attention.

[Click on the graphic to view it in a larger PDF format.](#)

Seabather's eruption, commonly known as "sea lice," is a rash caused when tiny jellyfish or sea anemone larvae get trapped under swimwear and release venom. Don't be fooled by the name — they're unrelated to lice. More common in Florida and the Caribbean, they've also been reported along the Jersey Shore, drifting unpredictably with currents.

Symptoms include tingling under your swimsuit as well as persistent, intensely itchy red or pink bumps under your swimsuit, which are often mistaken for pimples or welts. Children may experience systemic issues like nausea, fever, or abdominal pain. Symptoms typically appear within minutes to hours of leaving the water and can last up to two weeks.

**It's Beach Season:  
How to Check Water Quality**

Before you hit the beach, visit [njbeaches.org](http://njbeaches.org) to find information from the NJDEP on beach statuses, water quality sample results, and advisories.

Put the name of the beach you're heading to in the map's search bar and look for the Beach Monitoring Station Status in the legend. If there's an advisory, you'll see a yellow symbol. You can click on the symbol to see the latest test results. If the number is above 104, it indicates that the water is not safe to swim in.

## NJAW Lead Service Line Replacement Program

### Door-to-Door Canvassing Continues

CDM Smith, on behalf of New Jersey American Water (NJAW), started a door-to-door canvassing effort related to the Lead Service Line Replacement Program (LSLRP) in Middletown on Monday, February 3<sup>rd</sup>. The canvassing and internal inspections are currently taking place in the River Plaza Elementary School District in Area 3 on the map above. The entire canvassing is expected to take place over the next few months.

All CDM Smith inspectors will wear co-branded (NJAW and CDM Smith) high visibility logo vests and will have NJAW-issued Contractor ID badges. Inspectors will introduce themselves and the program to property owners and will then ask to enter the home to inspect the water service where it enters into the home (typically in a basement or crawl space).

The inspector will take exterior photos of the property and interior photographs of the service material and record the pipe material identified. Inspections generally take 15 minutes or less. At no time will residents be asked for money. Any customer that prefers to not have an internal inspection completed will be directed to alternatives to the inspections including self-reporting.

The Middletown Township Police Department is aware of the canvassing. If you have any questions about LSLRP, please email [njawlead@cdmsmith.com](mailto:njawlead@cdmsmith.com) and [LeadFreeNJ@amwater.com](mailto:LeadFreeNJ@amwater.com).

## Participate in Middletown Township School District's Strategic Planning Meeting on Thursday, 8/28 at 6 PM

The Middletown Township Board of Education invites everyone to participate in a Strategic Planning Initiative along with their neighbors, community members, friends, teachers, students, and school district administrators to create a shared vision for the future of the Middletown Township School District. This process will be facilitated by the New Jersey School Boards Association.

The goal is to create a shared vision for the district to discuss strengths, challenges, and solutions. Staff members, parents, guardians, students, community leaders, and other interested members of the public are invited to contribute their thoughts and ideas to help plan for the future of Middletown's students.

The third and final meeting will take place on Thursday, August 28<sup>th</sup> from 6:00-7:30 PM at Middletown High School North (63 Tindall Road). The first two meetings were held in May and June.

**Connect with the Township to Help Correct Concerns**

Middletown Township is now utilizing the “See-Click-Fix” platform so residents can easily contact the Township to report any concerns. The Township is branding this reporting tool as *Connect & Correct* since you can submit your request via the website and track its progress through completion.

Visit [middletownnj.org](https://middletownnj.org) and click on the **Connect & Correct** button. This link will direct you to a page of categories you can choose from to report your concern.

Simply choose the relevant category from the list such as lost pet, pothole, sidewalks, playgrounds, etc. and add a brief description of the issue. You will be able to enter an address or pinpoint the location of the issue on the map. You will also have the option to attach a photo if you would like, and then you can click to submit the report.

You will then be able to track the status of the issue through updates on the platform or via email notifications.

Exciting news — the *Connect & Correct* app is now officially available on the [Apple App Store](#) and [Google Play!](#) The goal of the app is to make it even easier to report your concerns on-the-go as well as streamline communications regarding any concerns you may have.

## VACANT/ABANDONED PROPERTY POLICIES IN MIDDLETOWN

Middletown Township has an ordinance that requires owners of a business or vacant and abandoned property to maintain liability insurance for negligent acts and omissions.

The ordinance holds property owners responsible for maintaining and securing the property since vacant, abandoned, and blighted properties can cause a cycle of neighborhood deterioration. The ordinance penalizes owners whose property remains vacant year after year.

## HOW TO REGISTER OR REPORT VACANT/ABANDONED PROPERTY

Please visit [middletownnj.org/abandonedproperty](http://www.middletownnj.org/abandonedproperty) to either register your vacant/abandoned property or report a vacant/abandoned property.

You can also contact Laura Russo-Kay from the Planning, Zoning & Community Development Department at 732-615-2000 ext. 2283 or [lrussokay@middletownnj.org](mailto:lrussokay@middletownnj.org) if you have any additional questions.

Know Someone with a Disability?  
Make Sure They Register with NJ Register Ready!

Middletown's Office of Emergency Management encourages residents with disabilities to register with NJ Register Ready. This free program is designed to assist first responders and emergency planners in identifying community members who may need assistance evacuating in advance of an emergency.

For more information about the program and the three ways you can register, visit [middletownnj.org/oem](http://www.middletownnj.org/oem).
