First responders in the Middletown Township Fire, Police, and EMS departments will be co-hosting the First Responders Stair Climb Fundraiser with local fitness center Life Time on Sunday, September 7th beginning at 8:30 AM and competing for the most donations.

Every 30 minutes, nine first responders will climb 110 floors symbolizing the 110 floors of the World Trade Center (WTC).

The money raised through this campaign will go toward our Middletown WTC Memorial Gardens Fund, a nonprofit dedicated to maintaining and enhancing a lasting memorial for the 37 residents who perished on September 11, 2001. The WTC Memorial Gardens also pay tribute to the first responders and individuals who lost their lives as a result of that fateful day.

Your donation will help support efforts to upgrade the memorial and ensure we never forget.

The event will be livestreamed on the Township's [YouTube channel](#) so members of the public can tune in to virtually cheer on the first responders and elected officials as they climb and share personal stories about what 9/11 means to them. The livestream will also feature photos and videos that highlight the Middletown WTC Memorial Gardens as well as a slideshow to thank our major sponsors for supporting this important cause.

The Middletown Township Historical Society (MTHS) will be launching its America 250 Speaker Series with "Patriots of a Different Name: New Jersey Loyalists" on Tuesday, September 23rd at 7:00 PM at the Middletown Township Public Library (MTPL). This event is free and will also be available to watch via Zoom.

During the American Revolution, New Jersey saw more battles and skirmishes than any other colony, particularly due to the partisan forces on both sides. The citizenry of New Jersey were staunchly divided, and those supporting the British Crown were just as patriotic and zealous as their rebel counterparts.

Please join Andrew Dauphinee, Jerseyana Librarian at the New Jersey State Library, for a deep dive into one of the most important and effective provincial forces in the American Revolution: The New Jersey Volunteers. Andrew will discuss the history, military engagements, and notable figures, leaving you with a deeper appreciation for New Jersey's role in the American Revolution.

**Beware of Scams Demanding Bail Payment or
Threatening Enforcement Action for Missed Court
Appearances or Traffic Fines**

DON'T BE FOOLED BY SCAMS DEMANDING BAIL PAYMENT OR THREATENING ENFORCEMENT ACTION FOR MISSED COURT APPEARANCES OR TRAFFIC FINES

The New Jersey Judiciary never initiates unsolicited texts or emails threatening enforcement actions or demanding payment.

No court or law enforcement agency will ever ask for bail via mobile payment apps such as Apple Pay, Zelle, or Cash App.

Verify: Hang up and call the official number of the court, police department, sheriff's office, or prosecutor's office to confirm any claims.

Bail payments for municipal court charges must be made in person—typically with cash, a certified bond, or through a licensed bail bondsman. Charges on the Superior Court level almost never involve bail.

Be alert for high-pressure tactics: Threats and urgency are hallmarks of a scam. Avoid clicking links or sharing personal information.

NJAW Lead Service Line Replacement Program

Door-to-Door Canvassing Continues

[Click on the canvassing map to view it in a larger PDF format.](#)

CDM Smith, on behalf of New Jersey American Water (NJAW), started a door-to-door canvassing effort related to the Lead Service Line Replacement Program (LSLRP) in Middletown on Monday, February 3rd. The canvassing and internal inspections are currently taking place in the Lincroft Elementary School District in Area 3 on the map above.

All CDM Smith inspectors will wear co-branded (NJAW and CDM Smith) high visibility logo vests and will have NJAW-issued Contractor ID badges. Inspectors will introduce themselves and the program to property owners and will then ask to enter the home to inspect the water service where it enters into the home (typically in a basement or crawl space).

The inspector will take exterior photos of the property and interior photographs of the service material and record the pipe material identified. Inspections generally take 15 minutes or less. At no time will residents be asked for money. Any customer that prefers to not have an internal inspection completed will be directed to alternatives to the inspections including self-reporting.

The Middletown Township Police Department is aware of the canvassing. If you have any questions about LSLRP, please email njawlead@cdmsmith.com and LeadFreeNJ@amwater.com.

Connect with the Township to Help Correct Concerns

Middletown Township is now utilizing the “See-Click-Fix” platform so residents can easily contact the Township to report any concerns. The Township is branding this reporting tool as *Connect & Correct* since you can submit your request via the website and track its progress through completion.

Visit middletownnj.org and click on the *Connect & Correct* button. This link will direct you to a page of categories you can choose from to report your concern.

Simply choose the relevant category from the list such as lost pet, pothole, sidewalks, playgrounds, etc. and add a brief description of the issue. You will be able to enter an address or pinpoint the location of the issue on the map. You will also have the option to attach a photo if you would like, and then you can click to submit the report.

You will then be able to track the status of the issue through updates on the platform or via email notifications.

Exciting news — the *Connect & Correct* app is now officially available on the [Apple App Store](#) and [Google Play](#)! The goal of the app is to make it even easier to report your concerns on-the-go as well as streamline communications regarding any concerns you may have.

VACANT/ABANDONED PROPERTY POLICIES IN MIDDLETOWN

Middletown Township has an ordinance that requires owners of a business or vacant and abandoned property to maintain liability insurance for negligent acts and omissions.

The ordinance holds property owners responsible for maintaining and securing the property since vacant, abandoned, and blighted properties can cause a cycle of neighborhood deterioration. The ordinance penalizes owners whose property remains vacant year after year.

HOW TO REGISTER OR REPORT VACANT/ABANDONED PROPERTY

Please visit middletownnj.org/abandonedproperty to either register your vacant/abandoned property or report a vacant/abandoned property. You can also contact Laura Russo-Kay from the Planning, Zoning & Community Development Department at 732-615-2000 ext. 2283 or lrussokay@middletownnj.org if you have any additional questions.
