The Middletown Municipal Alliance to Prevent Alcoholism and Drug Abuse enthusiastically requests your attendance at this year's

Annual Reaching Out / Open House

This event will be a way each of you may obtain valuable information on services provided by the Alliance and Crossroads Facility in Lincroft, NJ for all Middletown residents.

Meet our local public officials, substance abuse counselors and Middletown's program coordinator in order to ask questions and discuss the critical issues in our area. We will be able to provide guidance regarding services for individuals, families and friends who may be experiencing issues with substance abuse.
