## Rick W. Hibell Appointed to Middletown Township Committee

Rick Hibell was voted in unanimously at the Tuesday, February 20th Township Committee meeting. Hibell is filling the vacancy left by Gerard P. Scharfenberger, Ph.D. who resigned this month to take a position on the Monmouth County Board of Chosen Freeholders.

The Township Committee is excited to welcome Hibell, a lifelong resident of Middletown, to the team. Hibell grew up in Belford, graduated from The Marine Academy of Science and Technology located at Sandy Hook, and he and his wife are raising their family in the Leonardo area. Hibell is also a second generation Fire Chief and owns a marine construction company that is based in Middletown.

Mayor Stephanie C. Murray issued Hibell's Oath of Office as his wife Kelli held the Bible and his proud parents looked on. "As a Fire Chief and business owner, Rick has proven himself to be an effective leader," said Mayor Murray. "He knows how to implement policies and procedures, balance budgets, and collaborate with individuals to get the job done. I'm confident he will serve our town with the same heart and drive that he puts into everything else."

## **Middletown Township Public Library Announces Logo Contest Winner**

In recognition of the Middletown Township Public Library's upcoming centennial anniversary, the Board of Trustees and Library Administration ran a logo contest that was open to all Middletown students in grades 6-12.

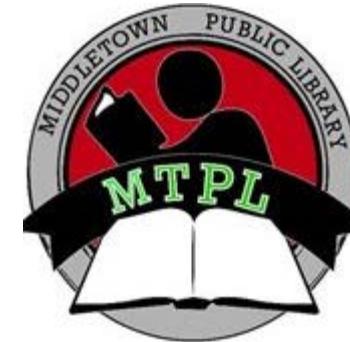

Students were tasked with modernizing the library's logo. After reviewing many submissions, the Board of Trustees selected three logos to present to the public to vote on.

The winner was announced and awarded at Wednesday's Library Board meeting. **Congratulations to Ryan Kelly, a senior at Middletown High School South for capturing the mission of the MTPL in his logo – to enrich, empower, and educate our community!** Ryan has taken Graphic Design courses throughout his high school

career and researched the “library” brand by looking at logos from other libraries. He designed the new logo by using a combination of Adobe Photoshop and Adobe Illustrator and used freehand drawing tools in Illustrator.

Ryan Kelly stands next to his winning logo along with Library Director Kim Rinaldi, Library Board President Bill Bucco and other members of the Board of Trustees.
