

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

Middletown Township is an Entitlement Community which receives Community Development Block Grant funds directly from the Federal Government. The Township's 2019 Action Plan component of the 2015-2019 Consolidated Plan has been designed to outline the intended use of anticipated available federal resources.

2. Summarize the objectives and outcomes identified in the Plan

The 2019 Action Plan recognizes that there remains a need to provide financial resources for housing rehabilitation to owner-occupied, income-eligible households.

This Action Plan represents a good faith effort of Middletown Township to submit a complete document in accordance with the instructions prescribed by HUD. This Plan addresses past and emergent housing and community development issues.

3. Evaluation of past performance

In 2018, the Township received a total of \$251,171 in federal assistance to help achieve goals and objectives set forth in its Consolidated Plan and activities identified in the Action Plan. An additional \$50,981 (as of 09/30/2018) was received in program income. Consistent with the principal goal of Middletown's Consolidated Plan to foster the maintenance and development of housing affordable to target income households, in 2018, a total \$158,762 (as of 09/30/2018) was expended on housing rehabilitation activities, and \$12,987 (as of 09/30/2018) was expended on planning and administration for a total 2018 CDBG expenditure of \$171,749 (as of 09/30/2018). The 2019 Action Plan's goals and projects remain consistent with the Township's past goals and projects where the principal goal is to foster the maintenance and preservation of affordable housing, while, if funding allows, making certain improvements to public facilities in low and moderate income neighborhoods.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Township's Citizen Participation Plan (CPP) is an essential component of the 2015-2019 Consolidated Plan. The CPP is the process by which Middletown identifies the policies and procedures to be used to encourage citizen participation and involvement in the development of the Five-Year Consolidated Plan, programs/activities undertaken pursuant to the Plan, substantial Plan amendments, and the preparation of the Annual Performance Report.

Middletown Township believes that citizen participation and planning are central to the success of community development efforts. The Township is committed to successfully engaging and involving its residents in making decisions about how to invest in the future of its neighborhoods. Participation by residents of predominantly low- and moderate-income neighborhoods will strongly be encouraged in 2019. Additionally, the Township continues to make particular efforts to reach special-needs populations, as all meeting facilities are accessible to handicapped individuals.

Consistent with the CPP, the Township expects to conduct at least two (2) community meetings in 2019 to advertise its home rehabilitation program. The Township will enhance notification procedures by issuing press releases, by including articles in the published "Middletown Matters" publication, and by including announcements on the Township's website and cable TV channel, and sharing information with local churches and neighborhood organizations in our low and moderate income neighborhoods.

On November 16, 2018 the 2019 Action Plan document was made available to the public for review and comment at the Township of Middletown Department of Planning and Community Development for a period of 30 days. At that time The FY2019 Action Plan was based on estimated allocation amounts.

A public meeting to review the draft Action Plan will be conducted on December 6, 2018. This meeting reviewed the basic elements of the Plan, and proposed strategies in detail. Any public comments received during the comment period, at the meeting or in writing within the time period will be addressed in the plan document.

This meeting and all future 2019 meetings will be held at times and locations convenient to potential and actual beneficiaries of CDBG assisted activities, with accommodations for persons with disabilities.

1. Introduction

The development of the 2019 Annual Action Plan of the 2015-2019 Consolidated Plan was overseen by the Township's Department of Planning and Community Development in conjunction with the Monmouth County HOME Consortium. The Township's Community Development office is the primary public agency responsible for administering CDBG-funded programs.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The Middletown Community Development staff consults regularly with the Middletown Housing Authority and the Middletown Social Services Department, which may be referred to from time to time, as the "Welfare Department" as it is the Welfare Department for the New Jersey Department of Human Services.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Middletown Social Services Department counsels homeless individuals and families on services and programs available and refers these individuals and families to the appropriate County or local facility. In the unusual event that a household requires relocation due to unsafe living conditions, the Township's Social Service's Director serves as the official relocation Officer to secure safer, more permanent housing. Additionally, the Township's Social Service's Director is currently participating in the development of the Monmouth County Continuum of Care's Strategic Plan to Prevent and End Homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Monmouth County Continuum of Care serves Middletown Township. The Township's Social Services Director serves as a committee member on the Monmouth County Coordinated Systems Committee for the overall development of the Monmouth County Strategic Plan to Prevent and End Homelessness. The Coordinated Systems Committee is considering the creation of a centralized intake agency for homeless individuals and families. These individual's needs would be identified and then directed to the appropriate agency for assistance including the Township's Social Services Department.

To supplement federal resources to address underserved housing needs, Middletown will continue to collect affordable housing linkage fees for all new residential development that does not include an affordable housing component, and new commercial development. These fees will provide the Township with a consistent and revolving resource to fund construction of new affordable units. The Township will continue to support efforts of non-profit housing developers to construct new affordable rental units financed via low-income housing tax credits and HOME funding approval through Monmouth County.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Discussion

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

Actions planned to address obstacles to meeting underserved needs

The primary activities to support the Homeless and other special needs activities will be performed by the Middletown Township Social Services Department and Monmouth County's Continuum of Care.

Actions planned to foster and maintain affordable housing

It is anticipated that the cost of affordable rental and owner-occupied housing will remain high in 2019, and the affordability gap will remain wide for those in need of decent, safe housing. Moreover, the cost of maintaining and rehabilitating existing housing stock will continue to increase due to the limited supply of labor and materials. The CDBG housing rehabilitation program anticipates assisting up to 10 households in 2019 to ensure continued affordability to homeowners in need of housing repairs.

Middletown's strategy to address the negative effects of regulatory obstacles to providing affordable housing will occur on both the State and local levels. The Township is committed to identifying and seizing all practical opportunities for removing barriers to affordable housing at the local level. As indicated in the Township's Analysis of Impediments to Fair Housing Choice (AI) the most significant barrier to fair housing in the Township is housing affordability. The cost of constructing and maintaining housing in Middletown has increased dramatically in recent years. Increased costs have a particularly acute impact on low-income households and on areas of low income concentrations. Middletown looks forward to complying with HUD's proposed strategy to refine and improve the current AI process to better equip communities to fulfill their fair housing obligations and plan in a manner that promotes fair housing choice.

The Township will continue to implement its 2008 Housing Element and Fair Share Plan to provide households with access to affordable housing to meet present and prospective housing needs, with particular attention to low and moderate income housing.

Actions planned to reduce lead-based paint hazards

The Community Development staff understands the importance of lead safety in homes and ensures that their grant recipients and contractors are aware of lead safe practices.

During the application process, and prior to any rehabilitation work, the Department of Community Development staff educates grant recipients by informing them of the following: (1) whether the

structure was built prior to 1978, (2) whether the structure may contain lead-based paint, (3) lead-based paint has certain hazards, (4) lead-based paint poisoning has symptoms and can be treated and (5) precautions to avoid lead poisoning.

The Township's CDBG Home Rehabilitation Specialist is also a licensed lead inspector/risk assessor. If the presence of lead-based paint has been confirmed by the Township's Lead Inspector/Risk Assessor for any rehabilitation project, the Township's Housing Rehabilitation Program requires that the contractor use EPA's lead safe work practices in order to complete repairs in a home where lead is present.

Additionally, under the EPA's Renovation, Repair, and Painting Rule, effective April 22, 2010, in order to continue to be in the Township's Housing Rehabilitation Program, contractors and their firms must be certified and use lead-safe work practices.

Actions planned to reduce the number of poverty-level families

Middletown Township has worked with Federal, State, County and non-profit agencies to provide information on the barriers preventing households from overcoming poverty. Middletown's resources are devoted to the problems which plague households at or below the poverty line. Township programs are housing rehabilitation, as well as helping disabled persons and providing homelessness assistance.

The Middletown Department of Community Development offers a highly successful rehabilitation program. This program is supported with Federal funds supplied through the Community Development Block Grant Program.

The Middletown Township Housing Authority manages two (2) public housing developments (Tomaso Plaza and Daniel Towers). Together these two (2) developments offer rental assistance to 252 income-eligible senior citizens. The Authority also manages a Section 8 Housing Choice Voucher Program currently serving a maximum of 245 families.

The Middletown Social Services Department's primary responsibility is providing shelter placement to homeless individuals. General Assistance is provided by Monmouth County on behalf of the Township. In addition, the Social Services Department counsels and assists eligible households on how to access Monmouth County Social Service Programs such as food stamps, medicaid and aid to dependent children.

Non-profit institutions responsible for the delivery of affordable housing consist of the Middletown Township Senior Citizen Corporation and the Lincroft Senior Citizen Corporation. The Middletown Township Senior Citizen Housing Corporation manages Bayshore Village which will provide rental assistance to 110 households. The Lincroft Senior Citizen Housing Corporation manages Luftman Towers

and provides rental assistance to 189 income-eligible seniors.

Overall, programs offered by Middletown Township effectively coordinate efforts to address housing issues and the conditions of poverty that surround low-income households to the greatest possible extent. However, the need for assistance far exceeds current funding levels. Therefore, the Township will continue to improve coordination between existing programs, but also identify the need to create new programs which respond to the needs of those at greatest poverty risk.

Actions planned to develop institutional structure

The Middletown Department of Planning and Community Development will continue to offer the rehabilitation program for single family owner occupied residential dwellings during 2018. This program will be supported with Federal Funds supplied through the Community Development Block Grant Program.

The Township's homeless needs will be addressed by Monmouth County Continuum of Care and by the Township Department of Social Services. Housing Opportunities for People with AIDS (HOPWA) resources will be facilitated by Woodbridge Township for the metropolitan area.

The Township will continue to work closely with local nonprofit organizations to encourage housing opportunities for low- and moderate-income persons. Moreover, the Township will collaborate with builders, developers and financial institutions to facilitate the creation of affordable housing units throughout the Township.

Inadequacies in institutional structure are primarily related to the lack of adequate funding to address local needs.

Actions planned to enhance coordination between public and private housing and social service agencies

The Middletown Department of Planning and the Department of Community Development is the lead agency for the Township. In developing this document, several meetings and telephone conferences were held with the Department of Community Development, Department of Social Services and the Middletown Township Housing Authority. These meetings enabled each agency to discuss housing

issues on a Township basis and not just within each agency's border.
