RECYCLING TIP OF THE WEEK

TIP OF THE WEEK

Rubber/vinyl garden hoses are not recyclable and should be disposed of in your black garbage cart.

They can also be **reused** as blade covers, slow drip sprinklers, planter guides, tree support and much more!

DID YOU KNOW?

Garden hoses are a mess for recycling plant operators because they are long, stringy items that damage equipment. They also create safety hazards for the employees.

Please do not place garden hoses in your blue recycling cart.

Download the recyclecoach app. "When in doubt, throw it out!" www.middletownnj.org/recycling
