

Dear Mayor Settembrino,

I Love my community. It is such

a happy and peaceful place! I like

how we have great schools and rest

o Restaurants. I don't even know wic

is the best! I love how we have
the most beautiful beaches I had
ever seen! Sometimes I go with
friends. There are also some good
parks in Middletown. So far
Middletown is my favorite place in the
world! I love Middletown!

Your friend,

Michaela Perrotti

Dear Mayor Settembrino,

I like my community/town
where I live because we have
schools, homes, food stores, playgrounds

and that's why I like my town. Your friend,
Grace Mason

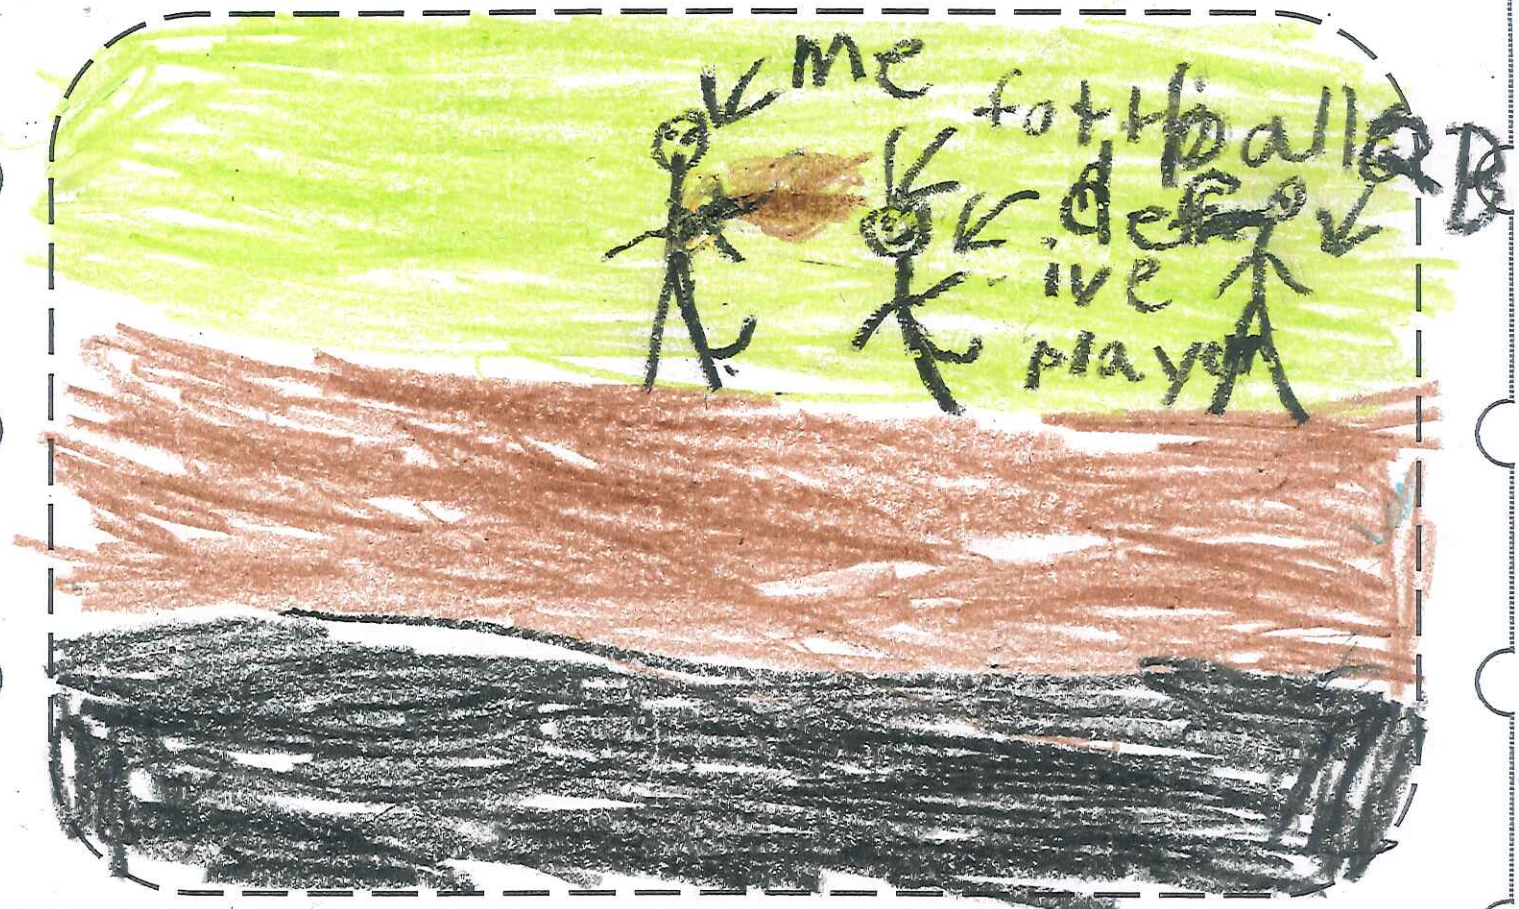

Dear Mayor Settembrino,
I love my community
because the houses
are so nice and they
are colorful. I love

my town. It is so nice
and beautiful. It is a great
community. I love my
restaurants. They are
the Best. I love eating
at them.

Your friend,

Jackie Tessler

Dear Mayor Settembrino,
I love my community!
There are so many parks
to play baseball and
football. I also love how

I'm 15 minutes away from the beach. There are so many nice restaurants. My favorite is the Brothers. I love how there's no litter in parks like Bodman. This is why I like my community.

Your friend,

Charlie Weber

Dear Mayor Settembrino,

I really love my community

because we have a lot of good ice cream

places. And there are good parks to

play in. Also a lot of good bakers.

to help us feel better. we have really

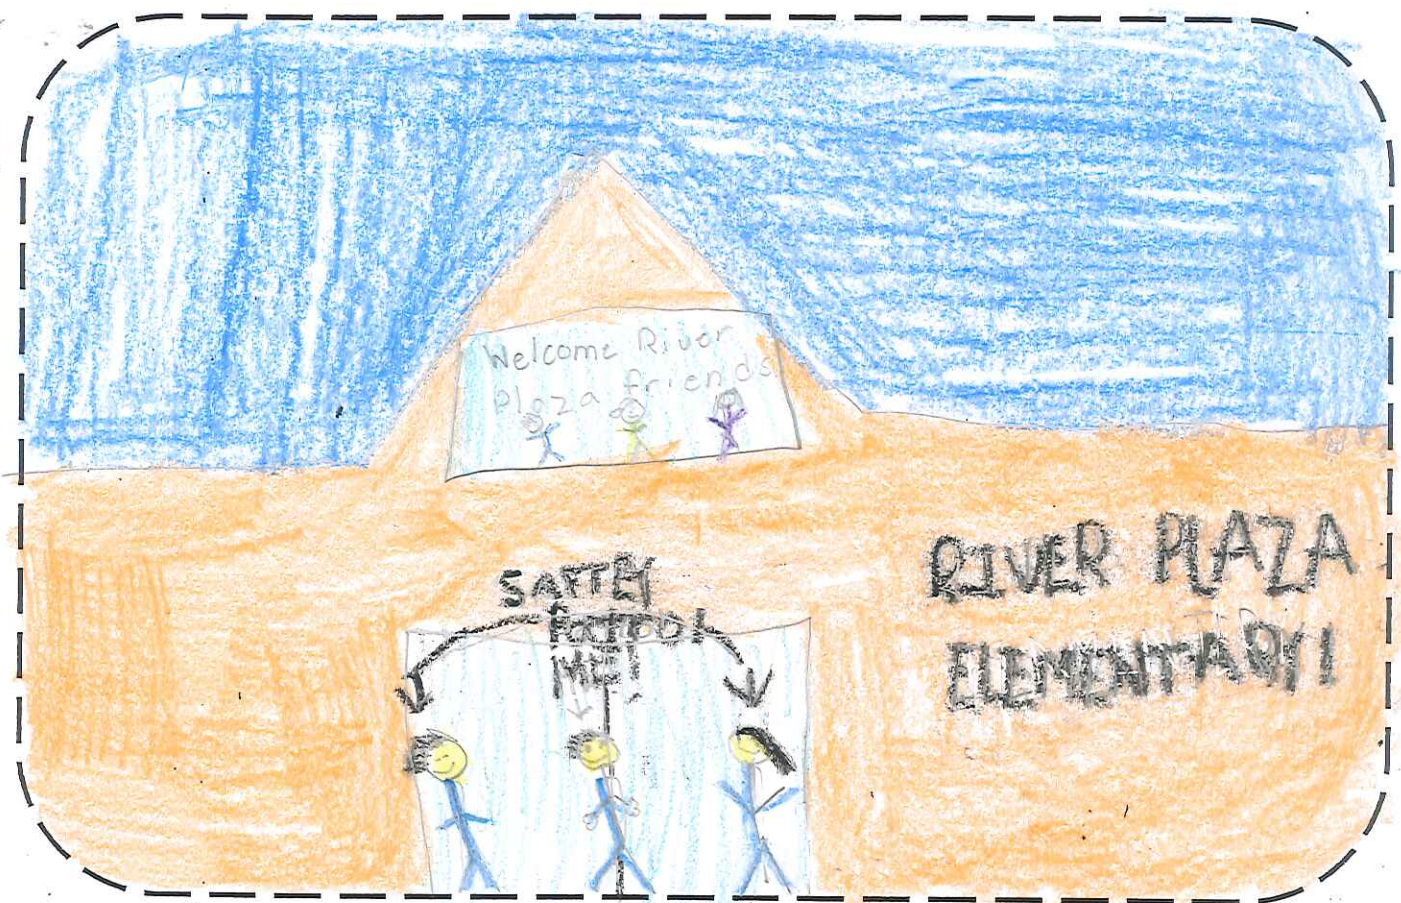

good restaurant with good food. have good

fairs fun rides, and really good costume stores

also head over heels. that's why I love Middletown.

Your friend,

Rosie Emerson

Dear Mayor Settembrino,

I love our community here in Middle-

town. I love our baseball fields especially

Bodman. I love our soccer fields in middle-

town they are so clean. Your friend,

Our schools are so good and clean

I love them so much. Our teachers are

so nice. I also love how all of my

friends go there. We play basketball, and

football, and sometimes soccer on the very

nice fields. Most of all I love you as

our mayor

Your friend,

Dominic Tuzzeo
