"Climb with a Cop" Event Reaches New Heights to Benefit NJ Special Olympics

On Saturday, February 9th, the Middletown Township Police Department, P.B.A. Local 124 and police officers from neighboring towns came together for the first "Climb with a Cop" event held at the Gravity Vault in Middletown. The event gave kids a chance to meet and climb with local officers while raising money for the NJ Special Olympics. Mayor Tony Perry, along with Committee members Kevin Settembrino and Pat Snell, joined the fun to show their support.

Thank you to all involved in this wonderful fundraiser!

Middletown Veterans Affairs Committee and VFW Post 2179 Host Beautiful Four Chaplains Memorial Service

Residents of Middletown and surrounding communities came together on Sunday, February 10th for the annual Four Chaplains Memorial Service held at VFW Post 2179 in Port Monmouth. This moving service honors the bravery of four United States Army chaplains, each of a different faith, who made the ultimate sacrifice in February of 1943. These men gave up their life-jackets to save others, both civilian and military, after a torpedo sank the SS Dorchester. Their selfless act serves as an enduring reminder to put aside our differences and show kindness to those around us.

Experts Present Microgrid Feasibility Study Results

Middletown Township hosted the final Microgrid Feasibility Study community outreach event at the Middletown Arts Center on Wednesday, February 13th. The session was held to present a program update, study outcomes, as well as financing options to determine a cost-effective configuration that would allow the town to use local resources to power critical facilities during times of emergency.

Highly-qualified experts, including engineers and designers, discussed the results of the study as well as options for implementing the microgrid going forward.
