

## Middletown Rallies with Clean Ocean Action to Stop NESE Pipeline

Mayor Tony Perry urged Governor and Middletown resident Phil Murphy and the NJDEP to deny all permits associated with the Williams/Transco Northeast Supply Enhancement Project at the Last Chance Rally to Stop the NESE Pipeline on Friday, May 31st.

Friends of the waterways, community leaders and businesses came together at Bayshore Waterfront Park on Friday, May 31st for Clean Ocean Action's Last Chance Rally to Stop the NESE Pipeline. Mayor Tony Perry was one of the speakers at the rally and touched on how the pipeline would negate all that our communities have done to revitalize our beaches and fishing industry.

This week, the Murphy Administration and New Jersey Department of Environmental Protection denied several key permits, but it is up to them to make the final decision to stop the pipeline. THE MAC PRESENTS: CAMP: A New Musical  
Friday, 6/28 - Sunday, 6/30

Welcome to Camp Goody Goody, a summer retreat for children of the elite run by fading socialite Madame Tres Faux. Crafty-like-a-fox rather than arts-and-crafty, Madame is thrust into emergency mode when, just a day after opening, the camp across the lake mysteriously burns down. She offers to take in the

little hoodlums from this less upscale establishment as a goodwill gesture, which leads to hysterical antics, unexpected tensions and surprising twists. With more than twenty songs and a cast of 24, you will be singing long after the curtain closes. Written and Directed by David J.V. Meenan with Musical Direction by Karen Feeney and Orchestration by Jay O'Brien.

**Route 35 Construction Project**

Construction work on Route 35 began Monday, May 6th northbound from Cooper's Bridge (Red Bank) to Cherry Tree Farm Road and southbound from Cherry Tree Farm Road to New Monmouth Road.

Road work will be done with temporary lane closures from 9:00 AM to 2:00 PM and from 8:00 PM to 6:00 AM. All work is weather-dependent.

The project, which consists of repairs and replacement of concrete vertical curb, installation of public curb ramps, repairs to drainage structures and resurfacing of the roadway, is estimated to be completed by December 2019.

Please keep an eye out for possible changes to the schedule.
