Middletown Township Public Library to Reopen Building to Public on Monday, July 6

The Middletown Township Public Library (MTPL) will open to the public with limited hours on Monday, July 6, following Governor Murphy's announcement that libraries may reopen. The MTPL will be open from 9:00 AM to 5:00 PM Monday through Friday. Curbside pickup will still continue Monday-Friday from 11:00 AM - 3:00 PM and on Wednesdays from 11:00 AM-8:00 PM.

Patrons are required to wear a face covering in the library and for curbside delivery. The library will limit the capacity of patrons entering the building. Patrons will be asked to wait to enter the building and in separate areas of the library once inside if the capacity is met. Social distancing will be enforced throughout the building.

What is the recommendation for wearing a face covering/mask inside while patronizing a business?

According to the New Jersey Department of Health, accommodations can be made if someone is not able to wear a face mask due to a medical condition. Essential businesses that never closed (e.g. a grocery store or a pharmacy) cannot refuse entry to someone who has a medical condition and can't wear mask. They may offer options, such as to provide curbside delivery and limit time spent inside store, but the person must be allowed to enter.

If the person doesn't have a medical condition, but refuses to wear a mask, essential businesses *can* refuse entry but must arrange curbside delivery or provide a mask, if available. No one can be asked for medical documentation due to various laws that already existed, so people do not need to "prove" why they can't wear a mask.

MINIMIZING THE RISK OF COVID-19

The spread of COVID-19 can be broken down into four factors: TIME, SPACE, PEOPLE & PLACE.

Keeping these factors in mind can help you assess your risk while participating in activities.

Minimizing the Risk of COVID-19

- Limit capacity, especially indoors
- Social distance from others (6 feet)
- Avoid crowded areas
- Choose outside activities vs. inside (dining, worship services, etc.)
- Don't share food/drink, cups or utensils with others; bring your own or use disposable items at outdoor gatherings
- Wear face coverings in public areas
- Wash hands often or use hand sanitizer with 60% alcohol

Singing, yelling/shouting and close contact *increase* the risk of contracting COVID-19.
