On Sunday, December 6th, Middletown Township hosted its virtual Christmas Tree Lighting and Santa Drive-By! Santa and his sleigh drove through town with a parade of first responder vehicles to wish a Merry Christmas to Middletown residents. He made his way to the Middletown Arts Center with lots of anticipation since Mayor Tony Perry needed a Christmas miracle to get the tree to light up! As he arrived with his entourage of first responder elves, Santa gave his magical thumbs up to light the Christmas tree and kick off the holiday season! The tree lighting was followed by holiday performances and a festive family game of Kahoot Trivia!

New Town Hall Construction Update

Construction continues on the new Town Hall Building on Kings Highway! The foundation has been poured which will enable the next phase of the project in the upcoming months. Click [HERE](#) to see photos of the construction over time and catch glimpses of what's new!

The new Town Hall will be a 72,000 square foot, three-story, energy efficient facility that will consolidate approximately 55,000 square feet of operations currently located in several facilities across town. The new facility will allow the town to house most its services under one roof which will offer a “one-stop-shop” for community members to take care of business such as paying taxes, getting a passport or applying for a dog license at a single location.

The new building will allow for the growth of our Township, which includes better amenities and resources, and will enable Middletown to take on a greater regional role through shared services with smaller surrounding municipalities.

NEW BUILDING & INSPECTION DEPARTMENT DROP-BOX

The Inspection Department now has a drop box for permits, applications and payments located at the SIDE entrance of the Croydon Hall Annex (900 Leonardville Road). The *drop box is available 8:00 AM-3:00 PM Monday-Friday. All items placed in the box **MUST** be placed in a sealed envelope with an address.

The drop box is available Monday-Friday from 8:00 AM to 3:00 PM.

****Please do not use the Letters-to-Santa box in the front of the building.***

LETTERS TO SANTA!**

This year, Santa has asked for a little help from the elves at the Middletown Arts Center and Arts Council to once again make sure all of the letters from Middletown children are delivered to the North Pole by setting up mailboxes throughout town (see letter drop off locations listed in the image above)!

Your child will receive a personalized letter back from Santa if you include a complete return address along with your child's name, age, and any related information that Santa might find helpful! To receive a response before Christmas, please drop your letter(s) in any of Santa's special mailboxes across town before December 20th.
