On Wednesday, June 23rd, Middletown ShopRite celebrated the grand opening of its new 91,624 square-feet location (1361 NJ-35) in the Kings Commons shopping complex on Rt. 35 South. The ShopRite, owned by the Saker family, relocated from across the highway on the northbound side of Rt. 35. Township officials and MTPD officers joined the Saker family for this momentous occasion.

Although this Saker ShopRite brought familiar favorites from its old location, it will also be installing new amenities. There will be a grab-and-go prepared foods department that will feature a thousand fresh meals from World Class Kitchens and Dearborn Farms. A 20,000 square-foot ShopRite Wine and Spirits store will also be opening next door.

The Saker family owns 32 ShopRite supermarkets. They are looking to hire about 320 employees at this new location.
