Township Committee Proclaims November 2021 as Native American Heritage Month

Mayor Tony Perry stands with Claire Garland, director of the Sand Hill Indian Historical Association, after recognizing November 2021 as Native American Heritage Month in the Township of Middletown.

The Township Committee proclaimed November 2021 as Native American Heritage Month for the first time in the Township's history at the meeting held on Monday night. Claire Garland, director of Lincroft-based Sand Hill Indian Historical Association, accepted the proclamation.

Claire, a member of the Sand Hill Band of Lenape, is a tireless advocate for Native American history and rights. She is also the co-chair of the New Jersey Historical Commission of Indigenous People and the New Jersey American Indian Affairs Commission Resource Person. During the meeting, Claire provided important historical information about local Native American history, including the Lenni-Lenape Native Americans who were the original settlers of Middletown. She

also presented a Native American ceremonial peace pipe made by her family.

We encourage residents to join us in honoring Native American Heritage Month and thanking those responsible for laying the groundwork for our community.
