MTPD Participates in National "Drive Sober or Get Pulled Over" Campaign This Holiday Season

Middletown Township Police Department and state law enforcement officials will be conducting saturation patrols and sobriety checkpoints looking for motorists who may be driving while intoxicated through January 1, 2022.

Advice for the Holiday Season

Take mass transit, a taxicab, or ask a sober friend to drive you home.

Spend the night where the activity or party is held.

If you see an impaired driver on the road, contact law enforcement.

Always buckle-up, every ride.

Be responsible. If someone you know is drinking, do not let that person get behind the wheel.

If you are intoxicated or traveling on foot, the safest way to get home is to take a cab or have a sober friend or family member drive or escort you to your doorstep.

Law enforcement officials will be cracking down on drivers impaired by alcohol or drugs as part of the annual end-of-year "Drive Sober or Get Pulled Over" campaign. The national "Drive Sober or Get Pulled Over" effort endeavors to raise awareness about the dangers of impaired driving through a combination of high-visibility enforcement and public education.

NJ Poison Center Advisory: Hidden Hazards of Holiday Season

The holidays are an exciting and busy time of year! Whether you're traveling near or far, hosting or attending a gathering, or just cozying up at home, it's

important to be aware of hidden holiday hazards that can potentially cause serious injury.

Anything can be poisonous if used in the wrong way, in the wrong amount, or by the wrong person. Hidden dangers involve more than just medicines and chemicals. It's important to note that accidents happen to everyone, not just kids and pets.

The holidays are also a time to be aware of the increased risk of illness. Holiday activities carry a high risk for spreading germs causing colds, flu and COVID-19.

This year choose safer ways to celebrate, including becoming fully vaccinated and getting a COVID-19 booster.
