

## TOWNSHIP OF MIDDLETOWN

### APPLICATION FOR FLOODPLAIN ENCROACHMENT PERMIT

Planning and Development Regulations (#540-940) requires this permit subject to the provisions of Article 7 (#540-709). No person shall engage in any development or regulated use in an area of flood hazard until such person shall have applied for a Floodplain Encroachment Permit from the Zoning Officer. The Township Engineer shall review and determine that the permit requirements have been satisfied.
