Township Administrator
Township of Middletown
1 Kings Highway
Middletown, New Jersey 07748-2085

**Re: Fire & Security Alarm Improvements
Township of Middletown
Recommendation of Award**

Dear Mr. Mercantante:

As you are aware, bids for the above referenced project were received on Thursday May 26, 2022. The project includes “Proposal - Base Bid” which consists of Fire & Security Alarm improvements to various Township Facilities. “Add Alternate 1” consists of ‘Crossroads’ Security improvements.

A detailed Bid Tabulation is attached for your review. The following is a list of bidders with their respective bids:

Bidder	Base Bid - Fire	Base Bid - Security	Base Bid Total	Add Alt - 1 Crossroads	Total Base + ALT
Kane Communications, LLC	\$406,685	\$163,373	\$570,058	\$13,553	\$583,611
Haig’s Service Corp.	\$237,425	\$40,424	\$277,849	\$3,652	\$281,501
<i>Engineering Estimate</i>	<i>\$316,735</i>	<i>\$111,800</i>	<i>\$428,535</i>	<i>\$9,300</i>	<i>\$437,835</i>

We have reviewed the Haig’s Service Corp. bid, and it is a complete proposal from an engineering standpoint.

We recommend the Township award the ‘Base Bid’ for the Fire & Security Alarm Improvements and Alternate 1, to Haig’s Service Corp., in the amount of \$281,501. This award should be made subject to the availability of funds, the approval of the Office of Wage and Hour Compliance and the Township Attorney.

If you have any questions or require additional information, please call.

Very truly yours,

T&M ASSOCIATES
