**Middletown Holds Flag Raising Ceremony at New  
Town Hall and Police Station**

Middletown Township was proud to raise flags at the new Town Hall and Police Station this morning, ahead of Independence Day. Mayor Tony Perry began the brief ceremony by talking about the importance of our country's history and welcoming representatives from U.S. Naval Weapons Station Earle (NWS), members of Middletown's Veterans Affairs Committee (VAC), as well as Township Committee members and employees.

The event took place in front of Town Hall with NWS Earle Commander Captain Ed Callahan raising the American flag, followed by VAC members raising the POW/MIA and KIA flags, and concluding with Middletown Township Police Department (MTPD) Chief Craig Weber and MTPD Corporal Bernie Chenoweth raising the State of New Jersey flag.

After the four flags were raised in front of Town Hall, MTPD Corporal Bernie Chenoweth and Corporal Robert Shannon raised the American flag in front of the Police Station.

The Township of Middletown is honored to fly these flags. Have a happy and safe 4<sup>th</sup> of July!

## Congratulations to the First 2022 Middletown Township Police Youth Week Graduates!

*All photos courtesy of MTPD Detective Ric Cruz*

Middletown Township Police Department just held its first Police Youth Week Camp of the summer! There were 63 children, between the ages of 8 to 11, who participated in this program that gave them their first exposure to law enforcement at the recruit phase.

The Police Youth Week program is a combination of classroom style learning and physical training. Participants learned firsthand about a wide variety of law enforcement training and techniques including officer safety, crime scene investigations, traffic enforcement, the K-9 unit, as well as the U.S. Coast Guard's role in law enforcement. The program also emphasized the importance of citizenship and community policing.

The week concluded with a graduation ceremony at the Brookdale Community College's Robert J. Collins Arena. Each graduate received a certificate and a well-earned cadet badge. Police Chief Craig Weber and Deputy Chiefs Bob Stefanski, John Kaiser, and Paul Bailey congratulated each child. Kudos to our Police Youth Week graduates and the dedicated officers who run this amazing program!

## MTPD Hiring Class III S.L.E.O.s: Apply by Friday, 7/8!

At the June 6<sup>th</sup> Middletown Township Committee Workshop Meeting, the Township Committee unanimously approved a shared services agreement with the Board of Education (BOE) to hire Class III Special Law Enforcement Officers (S.L.E.O.s) to work in the 16 public schools to enhance the safety and security of the students, staff, and facilities.

“The horrific tragedy at Ross Elementary School in Uvalde, Texas once again demonstrated the need for all districts to increase police security at our schools,” said Mayor Tony Perry. “Public safety is always our top priority, and this effort will serve as a model across New Jersey.”

In response, the Middletown Township Police Department (MTPD) has already increased patrols as of June 1<sup>st</sup> across the school district and armed Class III S.L.E.O.s will be in all public schools beginning this September. In an effort to secure enough qualified Class III officers by August, MTPD is currently accepting applications through Friday, July 8<sup>th</sup> to sufficiently staff the schools.

## Animal Control Reminds Residents: Please Do Not Disturb Snapping Turtles

**MIDDLETOWN TOWNSHIP ANIMAL CONTROL**  
**TIPS FOR CONTACT WITH ANIMALS**

**SNAPPING TURTLES**

**TIP #1**  
Between May and August it is very common to see large snapping turtles in our yards and roads.

**TIP #2**  
Female Turtles will travel quite a distance from water to make a nest and lay their eggs in soft or sandy soil.

**TIP #3**  
Snapping Turtles are not dangerous if left alone. However, they do have a nasty bite and should be left undisturbed to finish their nesting.

**TIP #4**  
Drive carefully near lakes, ponds, and inlets. If you find a turtle has been hit by a car or needs assistance, please contact Animal Control.

 **FOR MORE INFORMATION, VISIT  
WWW.MIDDLETOWNNJ.ORG/ANIMALCONTROL  
OR CALL 732-615-2097.**

## Spotted Lanternflies Have Returned: Tips for How to Prevent the Spread

Now that summer is almost here, spotted lanternflies are back! The spotted lanternfly is a serious invasive pest that feeds on sap from over 70 different plant species. Spotted lanternflies can negatively impact our agriculture, economy, and everyday life through the honeydew they excrete, which eventually turns into mold.

According to the New Jersey Department of Agriculture (NJDA), Monmouth County is in the "spotted lanternfly quarantine zone". Since spotted lanternflies are currently hatching and will not develop their wings until July, the Middletown Health Department advises residents to kill and report them to the NJDA when spotted. The Middletown Health Department also encourages residents to utilize the NJDA's checklist for spotted lanternfly quarantine areas, in an effort to stop the spread.
