

## FREE HOME REPAIR APPLICATION

July 10-14, 2023

Workcamps are intensive one-week trips that help people grow in the Christian faith through service. Individuals from around the country will spend one week in our community performing home-repair projects for elderly, low-income, Veteran, and disabled families. The work at each home will be done by five young people and at least one adult leader representing many Christian denominations. **Homeowners only!**

Both labor and materials are free to qualifying households. To learn how your home might be included, please complete this confidential application, and return to the below address where it will be reviewed and considered for the program. Submit by **March 15, 2023**.
